Varsity Tournament (double elimination) will be October 6,8,9

CCESAA Athletic Director is Dr. Shannon Grooms, Northwest Elementary School, 423-623-4697

COVID Guidelines (this is directly from TSSAA)

At contests all coaches, players, team personnel, officials, administrators, and fans must have their temperatures checked before entering the facility. No one whose temperature measures 100.4 or greater may be admitted. Any coach, player, and team personnel refused admission under this regulation may not return to participation until providing documentation that he/she has tested negative for COVID-19 or obtained a medical evaluation by a physician verifying that COVID-19 is not the cause of his/her fever. For spectator screening areas, if a line forms or is anticipated to form, ensure 6 or more feet of separation between persons or household groups (e.g., ground markings and/or announcements).

At each contest the following symptom checklist shall be posted prominently at the spectator entrance(s) instructing that anyone who is experiencing any of these symptoms during the preceding 7 days must not be admitted:

- Fever
- Cough
- Shortness of breath or difficulty breathing
- Shaking chills
- Chest pain, pressure, or tightness with exercise
- Fatigue or difficulty with exercise
- Racing heart rate
- Unusual dizziness
- Loss of taste or smell
- Sore throat
- Nausea, vomiting, or diarrhea
- Unusual rash or painful discoloration of fingers or toes

At contests in localities where fan attendance is permitted, member schools are encouraged to limit fan attendance to a number that will allow adequate social distancing (e.g., 1/4 to 1/3 of typical seating capacity, depending on the characteristics of the particular venue) and should mark/designate bleachers or seats in order to promote social distancing among spectators (sitting 6 feet apart). Member schools must facilitate compliance with any applicable state or local order limiting gathering sizes for participation in public events. In consultation with local health providers, member schools in areas experiencing high virus transmission should consider further limitations on attendance (e.g., family members only, or no spectators).

Member schools will require that all fans wear facial coverings if within 6 feet of others and if using a projected voice within 15 feet of others at all times while on-site (except children under age 2) and maintain social distancing (six feet, or the equivalent of two empty seats between themselves and other fans) from anyone other than those living in the same household.
