<p>7th and 8th grade may pick from any of the tasks I listed below..The performance task I have designed to be a fun math activity. Do not stress over them. Just try your best.</p> <p>The task will be in more detail with rubrics on my planbook page. You may locate my planbook from Brimfield School District Webpage my faculty page or https://planbook.com/planbook.html#week</p> <p>The Rubrics and in depth descriptions of the performance tasks will be updated on my planbook page Sunday night. Please check attachments. I will also attach the remind 101 information so students and parents may communicate with me and the students may ask me questions on homework problems.They may contact me via email. I will answer questions from 8:00- 3:00 Monday-Friday</p>	<p>Read from a novel for 20 minutes</p>	<p>Write a journal entry about your day. This should include all parts of the plot diagram. This can be typed or handwritten.</p>	<p>Watch a parent approved Disney movie and write a short paragraph on how it relates to a history topic.</p>	<p>PE Complete Warm Up Exercise Routine (10 count hurdle stretches 10 sit ups, curls ups and jumping jacks) Or substitute your own exercises Or Log a physical activity that you can perform for 20 minutes</p>

<p>Study Island Task: You will have 3 review assignments this week found under your classroom assignment tabs. You may ask me which questions you have answered incorrectly via email or remind 101.</p> <p>Alegrebral: Catch up on Study Islands. Play game mode on Study Island. It will make the task more fun.</p> <p>Task 2: Performance Task: You may create a board game over any topic we have learned this year. I had a group of students convert the game Candyland to Sweet Ratios. You must have detailed instructions to play the game. You must create a prototype of the game and have it ready to play when we get back to school. I will have a rubric on my planbook page.</p>	<p>Read a recipe and make a meal with your family.</p>	<p>Write and change the ending to one of your favorite movies or TV shows. This can be typed or handwritten.</p>	<p>Choose a newspaper article and read it. This can be online or a printed article. Write a summary of what the article is about. This can also be your ELA assignment.</p>	<p style="text-align: center;">Choir</p> <p>Find a recording of a group singing one of our concert songs. What did you think of their performance?</p> <p style="text-align: center;">Or</p> <p>Do a memory check for your solo or one our concert songs. Write down the lyrics and see how much you have memorized.</p>
<p>Task 3:Performance Task: You may create a scale model using the concepts of</p>				

<p>proportions or dilations. For example: You may calculate the height of a tree or structure using your height, your shadow, and your structure's shadow. You will need to create a story problem for the class to solve. You will need to create a picture to model the situation. Then you will demonstrate how to solve the problem step by step in a writing to explain format you have been taught in class. Your explanation should be at least five to six sentences. Or you may build a structure to scale like the Washington Monument in my classroom. You will have to have to turn in all calculations.</p>	<p>Read a book to a younger sibling.</p>	<p>Watch a TedTalk and write your thoughts on it. This can be typed or handwriting</p>	<p>Planbook:</p> <p>https://planbook.com/planbook.html#week</p> <p>I have a detailed outline of the work you need to do on these E-Learning Days.</p> <p>To reach me during elearning days</p> <p>kevin.faulkner@brimfield309.com</p> <p>Snapchat: bgsscience</p>	<p>Band</p> <p>Practice your instrument.
