*Theater Arts  
A Place for everyone. During High School and After.*

## Our Purpose

The Drama Club and Theater Arts program at Christian County High School hopes to provide students with opportunities in performance and technical aspects of the stage. We provide rehearsal and performance for at least two performance opportunities per school year through the Theater Arts classes and the Drama Club. Many of our students are involved in both. Our goal is to graduate an interested student with skills to carry them on into college in Theater Arts and with that in mind, we are working to build our program.

Students will be able to earn points for attendance, participation and active roles in all aspects of performance activities. Each student is strongly encouraged to have an active role in the club and work toward lettering.

Officers: We will have a pair of student directors this year to include a performance director and a technical director/or stage director. This will be a role determined by the club sponsors and by student active participation in class and drama activities.

We will also have an election in early September to determine club officers this year. The available positions include President, Secretary, and Historian. We will go through the application process in August and there will be a club vote for these positions. Students interested in these positions need to maintain good academic standing (2.0 or higher GPA) and club participation. Applications will be available when school starts.

## CCHS DRAMA CLUB

We hope that this year will be the best year yet. And we hope that your student will choose to join us. If you have an questions do not hesitate to contact Mrs. Reed for more information.

The contact information is:

[karin.reed@christian.kyschools.us](mailto:karin.reed@christian.kyschools.us)

We look forward to working with and developing the artistic talents of our students this coming school year. Thank you.

## Fundraising:

We have two fundraiser's planned for this year. Our Fall fundraisers are a brochure sale in October. Our Spring fundraiser will also be a brochure sale, sometime in March. We generally try to sell at least \$25 per student. We use the money collected to pay for the PAC (Performing Arts Center), performance rights, and set design. We are also wanting to use the money for club activities like field trips and maybe even competition this year. This will depend on how much we are able to raise. Please help us provide these opportunities for our students.

## Drama Club

Dues this year will be \$20. Please plan to pay those early in the Fall Semester. This provides you with many opportunities to participate in all our Drama Club activities.

Meetings: We meet at least one time each week. Usually on Monday's after school. Students need to listen to announcements for when the club will begin meeting. This should be pretty early in the year. Early September at the latest.

Sponsors: Mrs. Reed in Room 310 and our Theater Arts instructor will be the club sponsors to start the year off. We will look for other expertise as we

need it to make our club great.

Lettering: This year will have a points system to club participation. To that end here are the requirements to earn a letter in Theater Arts:

Students wishing to letter each year must gain at least 30 points and be in good standing with the club. All dues must be paid and the student must have regular attendance to all club functions.
