# welcome to Art Class

Hello and welcome to Middle School!

I can't wait to create art with you.  
Please come talk to me about Art Club and  
your 2020-2021 Middle School Yearbook!

# Supporting your Student

- Review your students schedule periodically to help support their participation in synchronous and asynchronous learning. Offer assistance to help them create habits and schedules that will allow them to be successful. Have frequent check-ins with your student to see what assignments/projects they are working on, ask questions, and encourage them to reach out to their teacher for assistance. Teachers prep and office hours are flexible per teacher/student need.
