## Pre- Kindergarten Parents this is the information that is required for the registration of your child.

### Texas Minimum State Vaccine requirements for 2021-2022

In preparation for the next school year, the Department of State Health Services and the Texas Education code require students to have **all immunizations** stated below. Parents please use this letter as your personal check off sheet. **Proof of these immunizations or a current/ original affidavit will be required at registration.**

- 4 doses of Diphtheria, Tetanus, Pertussis (DTap, DTP)
- 3 Doses of Polio (OPV, IPV)
- 1 dose of Measles, Mumps, Rubella (MMR) \*\*dose has to be received after 1<sup>st</sup> birthday \*\*
- 3 doses of Haemophilus Influenzae (HIB) \*\* with 3<sup>rd</sup> dose after 1<sup>st</sup> birthday\*\* **OR** \*\*1 dose of HIB received after 15 months old\*\*
- 3 or 4 doses of Pneumococcal (PCV)\*\*with at least 1 dose given after 1<sup>st</sup> birthday \*\* **OR**
  - \*\*2 doses of PCV with proof they have both been given after 1<sup>st</sup> birthday \*\*
  - **OR**\*\*1 dose of PCV that is given after 24 months old\*\*Children that are 60 months (5 years old) are not required to receive the PCV vaccine.
- 3 doses of Hepatitis B (Hep B, HBV)
- 1 dose of Varicella (Chickenpox, VAR) \*\* dose has to be received after 1<sup>st</sup> birthday\*\* - **Disregard if your child has had chickenpox – ask for the yellow information sheet and complete.**
- 2 doses of Hepatitis A (Hep A) \*\* with first dose received after 1<sup>st</sup> birthday\*\* IF only one dose has been received, proof of six-month appointment to revive the second dose is required (original copy)

Delay or Failure to comply with the DSHS requirements may affect your child's active enrollment to Cushing Elementary School. At this time you may email your child's records to the school Nurse. [calvy@cushingisd.org](mailto:calvy@cushingisd.org)

Thank you
