August 25, 2020

Dear Parents/Guardians of Ben C. Rain High School Students,

The Mobile County Public School System is now using Schoology, an integrated learning management solution that provides course management, mobile learning, and support for system-wide communication. Schoology enables our students, parents and teachers to engage with learning materials and their school community from the classroom and beyond. We look forward to using Schoology in our remote classrooms at Ben C. Rain High School beginning Tuesday, September 1, 2020.

With Schoology, students can digitally submit homework assignments, review grades, participate in interactive discussions, receive announcements and feedback, take tests, write academic blogs, and more. As a parent, you will be able to view your child's activity within the platform.

You and your child will be provided login credentials on how to access the Schoology system. We value your participation in your child's education, and we encourage you to read Schoology's Privacy Policy & Terms of Use at <https://www.schoology.com/privacy>. Please be advised that your student's progress and activity will be monitored by your child's teacher and school administration to ensure a safe, secure, and controlled environment.

Attached, you will find information with instructions on how to create, log into, and use your Schoology account. You can also find this information and more specific information under the **Parent Corner Section** on our school website at **bcrainmcpssal.schoolinsites.com**

If you have questions or feedback regarding Schoology, please email our Schoology Master Instructor, Donald Wright at dwright@mcpss.com or our Tech Support Person, Cathy Sanders at csanders@mcpss.com. As always, you can contact the school at 251-221-3233 for assistance.

Respectfully,

Ed Sanderson

Principal
