# SENIOR CLASS OF 1984

*Class Flower - Rose*

*Class Colors - Blue and Gray*

*Class Motto - If memories were worth Gold  
Our class would have a treasure*

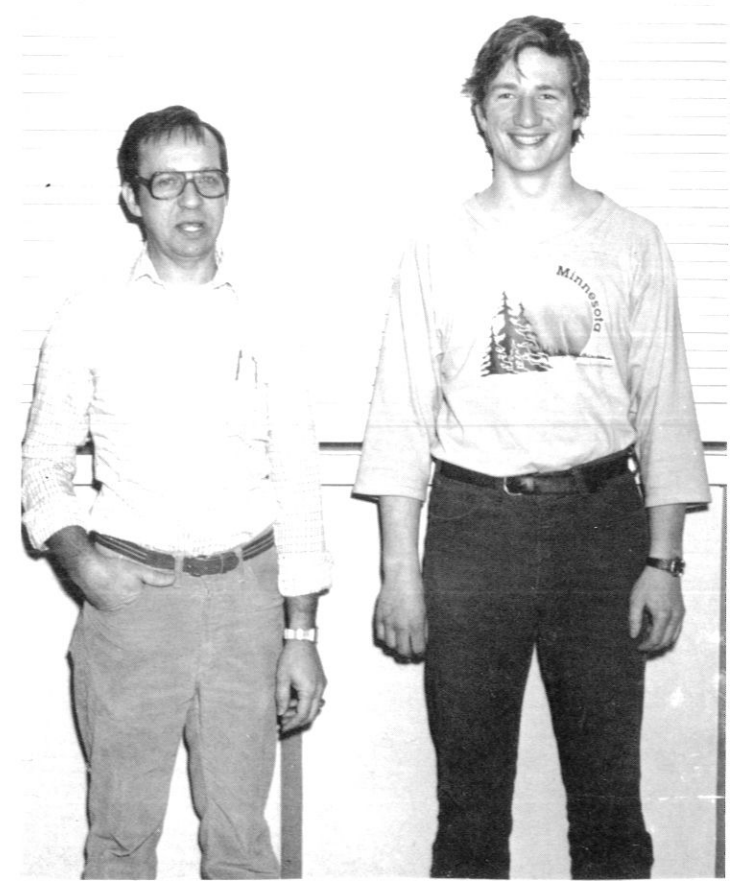

We the seniors of nineteen eighty-four would like to dedicate our annual to three very important people and to everyone who helped make our dreams come true.

First to Mr. Guenther for all his years of help and understanding. By showing us responsibility and respect for others to achieve our goals. And also to our parents by showing us the way and standing behind us and encouraging us to go on. Holding their love, patience and trust in our judgement. Last but not least, Mark Uwe Ketterle, for sharing his last year with us. We wish Mark the best of luck in all he does.

And to all the other people, teachers, friends and relatives who put their faith in us and to make our world a better place to live.
