

# Tyler County Schools

## Child Nutrition Reentry Plan

### Food Safety and Sanitation

- Cleaning, disinfecting, and sanitizing chemicals will be located each kitchen. This will provide consistent cleaning, disinfecting, & sanitizing program across the county.
- All cafeteria managers and cooks will be re-trained and updated on proper cleaning, disinfecting, and sanitizing procedures.
- All cafeteria managers and cooks will be trained and certified on the ServSafe program.
- A frequently touched surface checklist has been developed that kitchen personnel will at a minimum clean and disinfect/sanitize twice per day.
- The only people that should be in the kitchen would be those working directly with food preparation, serving, bagging, distribution, etc.

### Cafeteria Procedures

- Hand Sanitizer will be placed at the beginning of serving each line.
- Social distancing bubbles will be placed on the floor to remind all students and staff to distance while standing in line.
- Masks will be worn while standing in the food line to receive the tray.
- Cafeterias will be utilized at 50% capacity – schools are working out alternating schedules for grade levels to eat in cafeterias, classrooms, and outside when possible.

### Breakfast

- Starting the year, we will use grab and go breakfast in all of our schools. As the year goes on our plan is to transition to traditional hot breakfast service.

### Lunch

- Lunches at each school will be traditional hot lunches.
- The plan will be for all students to go through the cafeteria line – there are some exceptions to this explained in the elementary plans.
- There will be no hot bar or salad bar at the middle/high school. Those items will be brought in the kitchen behind the serving line. Students will still have fresh salad options as well as hot bar items available to choose for their meal.
- All meal items will be served by our cooks to limit touching. Students will be handed a tray.
- School staff will help with distribution of milk and condiments.

### Remote Learning Wednesdays and Meals

- Breakfast and lunch for Wednesday will be distributed to all students on Tuesday afternoon prior to leaving at the end of the day.
- These meals are in a grab and go bag kit will shelf stable items provided.
