May-testing month for 3-5, began on the 22nd of April-1st week in May. Adjustments have been made to the tests this year- shorter. We are continuing some of our traditional things that we do this time of year but in a different format. Field day will be changed to a fun day in May per grade levels and done through PE times. Parents will not be allowed to attend due to Covid protocols. Spirit t-shirts instead of field day are available- this year. The shirts will still be different colors per grade level minus the field day logo on them.

Teacher appreciation is next week and we have some things planned for the teachers each day. Flyers will be sent to the parents.

Awards days will be recorded and live streamed. Some awards will not be available as in past years due to the pandemic and our decision to save some money. Perfect attendance will be discussed with the board concerning virtual learning and them not having to leave home versus on campus learners. 5th grade awards is on the 25, 1st and 2nd grade will be on the 18th. It is the 150th year the board has been in existence and 5th grade will be doing a time capsule project.
