

Be Happy! Be Brave! Be Drug Free!

RED RIBBON WEEK at Margaret Mace School
October 26, 2020 through October 30, 2020

Dear Parents/Guardians:

Margaret Mace staff and students will be celebrating **Red Ribbon** week with some planned daily activities for our students to take part in. Read about the Red Ribbon Campaign. Please support MMS and your child/children in this endeavor so that they make the right choice to remain DRUG FREE.

Red Ribbon Campaign

The Red Ribbon became a symbol for drug prevention in 1985, in response to the murder of DEA Special Agent Enrique "Kiki" Camarena. Informed Families started the first countywide Red Ribbon campaign in 1986. In 1988, NFP sponsored the first National Red Ribbon Week celebration. Today, the Red Ribbon serves as a catalyst to mobilize communities to educate youth and encourage participation in drug prevention activities. Since that time, the campaign has reached millions of U.S. children and families.
