SET Self-Funded Vision
Plan III
Benefits-at-a-Glance
Tawas Area Schools
Administrators

SET Self-Funded plans do not have a network. You may select any vision provider that you wish to use and your benefit level will remain the same. Please see the attached Self-Funded Vision Agreement for applicable administrative and setup fees.

Covered Services:

Examination	\$64.00 covered once every 12 months
Regular Lenses	\$84.00 covered once every 12 months (each pair of lenses)
Bifocal Lenses	\$96.00 covered once every 12 months (each pair of lenses)
Trifocal Lenses	\$120.00 covered once every 12 months (each pair of lenses)
Progressive Lenses	\$144.00 covered once every 12 months (each pair of lenses)
Frame Allowance	\$130 covered once every 12 months
Contact Lenses	\$200.00 covered every 12 months
Examinations, frames, and one set of corrective lenses (regular glasses, prescription sunglasses, photogray lenses or contact lenses) will be provided once in a 12 month period, defined as July 1 to June 30 of the following year, for each eligible member of the family.	
Additional charges for tint, oversized lenses, blended bifocal, and scratch or anti-glare coatings are not covered.	
Examination, Lenses (regular, bifocal, trifocal, progressive), Frame allowance, and Contact Lenses covered amounts listed above will be paid toward all items and services incurred in connection with your appointment regardless of the amount charged by your provider. The remaining balance is your responsibility.
