March 26, 2021

Parents, students, staff, and community:

On March 25, 2021, the Robert Lee ISD Board of Trustees voted to make changes to our local RLISD COVID-19 Plan. Beginning on Monday, March 29, 2021, masks will no longer be required at school. Also, temperature screening of students prior to entering the building will no longer be conducted. While Robert Lee ISD understands the complexity of this pandemic, we feel that families can and will make the best choices for their children. RLISD encourages anyone who wants to continue to wear a mask to do so. This will be the option of the individual. All other mitigation strategies will remain in place for the remainder of the school year. The RLISD COVID-19 Plan will be updated and posted to the website as soon as possible. Thank you for helping our district work through a very difficult year. We will continue to do our best in protecting our students, staff, and community. Please call the school with any questions.

Thank you,

Aaron Hood
Superintendent
