

ADDENDUM 1

Questions regarding IT20.13.01.1 – Cloud Based Reading Practice Service

1. We have noticed a discrepancy in the title of request for proposals. What is the correct title?

A. The correct title is: IT20.13.01.1 – Cloud-Based Reading Practice Services

2. Given the discrepancy in the RFP title, should the proposed solution include a computer-adaptive assessment component?

A . It is not required, but would be considered.

3. What do reviewers consider a compliant response to these requirements? Do reviewers prefer a vendor submit compliance matrix which includes compliance to each requirement in a chart format, and/or would you prefer a narrative response to each requirement?

A. A compliance matrix would be preferred.

4. Will the district please confirm that the total number of students being serve by this solution is 2,742 and the number of locations is 21?

A. The numbers are correct.
