

Good evening elementary school parents and students of the Randolph County School System,

This is Stephen Gainey. I am calling with an update on a decision made by the Board of Education at its meeting on 3/15/21 in relation to Governor Roy Cooper's announcement last week regarding the re-opening of schools. More specifically, while the Board of Education made a decision to change the school plan for grades 6-12 effective 4/6/21, no changes were made to the school system's current plan for grades PreK-5 for the remainder of the 2020-2021 school year. As a result, the current school plan in the Randolph County School System for grades PreK-5 will remain in place for the remainder of the 2020-2021 school year.

This message also will be posted on the homepage of the school system's webpage.

I hope everyone has a great night!!!!
