

Student Data Trackers

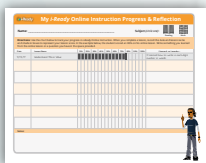

Students can use data trackers to track their own growth in *i-Ready* Online Instruction. Use one or more of the following data trackers with your students to help them track their progress!

Table of Contents

My *i-Ready* Online Instruction Progress 2

Students record the date, lesson name, and lesson score for each *i-Ready* online lesson they complete.

My *i-Ready* Online Instruction Progress & Reflection 4

Students record the date, lesson name, and lesson score for each *i-Ready* online lesson they complete. Students also reflect on something they learned or a question they have.

My Weekly *i-Ready* Online Instruction Progress 6

Students review their My Progress page on their *i-Ready* student dashboard and use that information to track their progress. Students record lesson scores, number of passed lessons, and time on task. In addition, students reflect on what they have learned and/or questions they have about each lesson.
