Introduction

Welcome to the Kelliher School District. This handbook has been prepared for students and parents in an effort to outline expectations while the student is enrolled in the Kelliher District. Many of the topics covered in the Kelliher Student/Parent Handbook are rules and prohibitions.

In addition, this handbook covers a number of opportunities for growth and involvement in many activities and events during the school year. We urge all students to take advantage of the many opportunities the Kelliher School has to offer, both in academics and extracurricular activities.

The Kelliher School Board, administration and staff are dedicated to providing the best possible education for our students. We believe this education can best happen in a safe, productive environment. Such an environment is the goal of this handbook.

By working together as parents, school and community, we believe we can make a difference in the lives of our students. Thank you for your trust.

New information may be added to this handbook from time to time. If any questions arise pertaining to the operation of the school, we encourage parents to contact the administration for assistance in addressing their concerns.

PART I - INFORMATION

Arrival and Dismissal Hours

Hours for School District Buildings and Facilities

The school building will be open from 7:45 until 3:30 during the school year. The building is often open later during days when extra-curricular activities are scheduled or when community education classes are offered in the building. Instructional hours are from 8:25 a.m. to 3:15 p.m.

Assigned Classes

The assignment and scheduling of classes are within the school district's discretion. Whenever possible, the Kelliher School will try to allow students to register for classes they wish to take. However, all students are required to meet requisite coursework as determined by Minnesota statute and district policy.

The district recommends a minimum of 7 classes each day. All classes operate on a semester basis for students in grades 9-12. A maximum of three days at the beginning of the semester is allowed for students to drop or add classes and must be approved by the school administration after the Class Drop/Add form has been completed and approved by all teachers involved, and signed by a student's parent/guardian. Exceptions to this rule may be granted at the discretion of the administration. Students enrolled in OCHS classes will be given 1 class period for each OCHS class.

Cell Phones

Students are prohibited from using cell phones, and other electronic communication devices during instructional class time. Students in grades 7-12 may use cell phones before and after school, during breaks between classes, during lunch time, and as well as when a teacher allows such use. Students in grades preK - 6 may use cell phones before and after school, and when a teacher allows such use. Students are also prohibited from using a cell phone or other electronic communication device to engage in conduct prohibited by school district policies including, but not limited to: cheating, bullying, harassment, gang activity, taking pictures, recording audio and video, etc. If the school district has a reasonable suspicion that a student has violated a school rule or law by use of a cell phone or other electronic device, the school district may search the device. The search of the device will be reasonably related in scope to the circumstances justifying the search. Students who use an electronic device during the school day and/or in violation of school district policies may be subject to disciplinary action pursuant to the school district's discipline policy. Student cell phones or electronic devices may be confiscated by the school district and, if applicable, provided to law enforcement. Cell phones or other electronic devices that are confiscated and retained by the school district will be returned in accordance with school building procedures.

Consequences for unauthorized use of an electronic device by a student:

1st Offense: Device confiscated, turned into the office, and returned at the end of the day.

2nd Offense: Device confiscated, turned into the office, and returned after a phone call with a parent.

3rd Offense: Device confiscated, turned into the office, and returned to a parent after a conference at the School.

Subsequent Offenses of this policy will be treated as: habitual/severe abuse of rules and policies, see page 28 for consequences.

Closed Campus

Kelliher School operates a closed campus. Once school is in session, no student may leave school grounds unless approved to do so by school administration. Therefore, students will not be able to leave the school grounds from the time they arrive until the school day is complete at 3:15 p.m. THIS POLICY APPLIES TO LUNCH HOUR. The student also needs to be picked up by a parent/guardian in the office, not the classroom. If the student leaves school without permission from the school office, the absence will be regarded as unconfirmed. If a student leaves the building without authorization, he or she may not be allowed back into the building. Should a student leave school grounds without permission, administration may call local law enforcement officials to locate and pick up the student in order to safely return the student home or to bring the student to a social service agency.

A student may be permitted to run an occasional errand for a parent/guardian during lunch hour provided he or she brings a signed note from his/her parent or guardian dated for that day, or the parent calls the office by 8:30 a.m. The note must be approved by the office by 8:30 a.m. that day. No other student will be excused to leave with that same student on the errand. Exceptions must be approved by the principal or superintendent. In addition, Juniors and Seniors

who are on the honor roll, have a Gold Card and a signed permission form from their parent. The students who meet the criteria will be allowed to leave school during lunch. However, if you are driving you may not have a passenger, the school needs to have a copy of your insurance and Driver's license, and you must sign in and out, along with turning in your lunch pass. Students who leave during lunch must be back in time for the next hour. Failure to do this will result in loss of privileges. A student must turn in their lunch pass to the office before leaving, if a student loses or misplaces the pass, they will not be able to leave campus that day. A student's Gold Card will be used as they lunch pass.

1st- Warning

2nd- 5 day suspension of lunch pass

3rd- Revocation of lunch pass for remainder of quarter

A student who drives to school must leave his/her vehicle parked in the school parking lot until school has been dismissed at 3:15 p.m. All students driving are expected to drive safely and follow all appropriate driving rules posted on school property. They may not drive during school or their lunch hour without permission from the school office. Students participating in extracurricular activities must ride school transportation to and from an extracurricular event or practice unless a prior school approved written notice form has been presented and accepted by the coach or activity director (this is covered in the extracurricular handbook and the blue extracurricular form parents sign off on)

Complaints

Students, parents/guardians, employees, or other persons may report concerns or complaints to the school district. Complaints may be either written or oral. People are encouraged, but not required, to file a written complaint when appropriate. The appropriate administrator will respond in writing to the complaining party regarding the school district's response to the complaint.

Courtesy

Courtesy is the key to good manners. School personnel and students will work together in a positive manner to promote a productive, safe, and friendly school environment. Courtesy and manners will be topics promoted in the Kelliher School character education programs.

Dances/Parties

Any school dance will be planned by the student council or other school group under the direction and guidance of the school administration, class advisors, or the activity director. All school rules apply at school dances. No individual who is 21 years of age or older will be permitted to attend a dance as a participant at any school-sponsored dance or party. To attend prom, a student must be a freshman or older, but not older than the age of twenty.

Distribution of Non School-Sponsored Materials on School Premises [**]

The school district recognizes that students and employees have the right to express themselves on school property. This protection includes distributing non school-sponsored material, subject to school district regulations and procedures, at a reasonable time and place and in a reasonable manner.

Eighteen-Year-Old Students

The age of majority for most purposes in Minnesota is 18 years of age. All students, regardless of age, are governed by the rules for students provided in school district policy and Minnesota statute. However, regardless of age, all students may be governed by a single set of rules provided the rules are reasonably applied to all students to achieve a legitimate school purpose. Minn. Stat. §120A.20, Subd. 1.

In general, in the case of 18 year olds, if a rule is directed to apply to parents, the 18 year old should be treated as parents are treated; if the rule is directed to apply to students, 18 year olds should be treated as all other students are treated. For example, when regarding student conduct rules, school authorities may continue to promulgate reasonable rules and regulations regarding student conduct, and need not generally distinguish between those students over and under 18. General prohibitions against smoking and drinking can be imposed against all students when they are under the supervision of school authorities. Minn. Stat. §120A.20, Subd. 1 states in part: ...Notwithstanding the provisions of any law to the contrary, the conduct of all students under 21 years of age attending a public secondary school shall be governed by a single set of reasonable rules and regulations promulgated by the school board.

Employment Background Checks (*)

The school district will seek criminal history background checks for all applicants who receive an offer of employment with the school district. The school district also will seek criminal history background checks for all individuals, except enrolled student volunteers, who are offered the opportunity to provide athletic coaching services or other

extracurricular academic coaching services to the school district, regardless of whether compensation is paid. These positions include, but are not limited to, all athletic coaches, extracurricular academic coaches, assistants, and advisors. The school district may elect to seek criminal history background checks for other volunteers, independent contractors, and student employees.

Equal Access to School Facilities

The school district has created a limited open forum for secondary students to conduct non-curriculum related meetings during non-instructional time. The school district will not discriminate against or deny equal access or a fair opportunity on the basis of the religious, political, philosophical, or other content of the speech at such meetings. These limited open forum meetings will be voluntary and student initiated; will not be school sponsored; employees or agents of the school will be present at religious meetings only in a non-participatory capacity; the meetings will not interfere with the orderly conduct of educational activities within the school; and non school personnel will not direct, control, or regularly attend activities of student groups. All meetings under this provision must follow the procedures established by the school district.

Fees

Materials that are part of the basic educational program are provided with state, federal, and local funds at no charge to a student. Students are expected to provide their own pencils, paper, erasers, and notebooks. Students may be required to pay certain other fees or deposits, including (not an inclusive list):

- Cost for materials for a class project that exceeds minimum requirements and is kept by the student.
- Security deposits for the return of materials, supplies, or equipment.
- Field trips considered supplementary to the district's educational program.
- Admission fees or costs to attend or participate in optional extracurricular activities and programs.
- Voluntarily-purchased student health and accident insurance.
- Use of musical instruments owned or rented by the school district.
- A driver education training course.

Students may be charged for textbooks, workbooks, and library books that are lost or destroyed. Students may also be responsible to pay for any damages to iPads and computers. For more information, contact the district office.

Field Trips/Class Trips

If there is a need for a class trip, parents/guardians will be informed by the classroom teacher or activity director. All class trips/field trips must be approved by school administration. A class trip/field trip form must be completed and on file, and the trip must be chaperoned by school personnel. All school rules apply during a class trip/field trip.

Fire Drills/Emergency Drills

The state requires that public schools hold fire drills, tornado drills, & lockdown drills. All drills are conducted in the interest of safety for all students. A buzzer, tone, or signal will be given; students will proceed in an orderly manner out of the building and follow all directions given by staff members. The school will also hold other emergency drills. Staff members will review these drills with students at appropriate times during the school year. Evacuation plans are posted in all classrooms and other areas of the building. **IT IS IMPORTANT THAT STUDENTS FOLLOW ALL STAFF DIRECTIONS WHEN EVACUATING.**

Food in the Classrooms

The Kelliher School has adopted a Wellness Policy that promotes the healthy eating of all students and staff. The district promotes a healthy school by supporting healthy eating practices as a part of the total learning environment. Therefore, unless allowed by a classroom teacher and abiding by the guidelines of the district wellness policy, students are not allowed to bring food into classrooms without the prior permission of their classroom teacher. Students may be allowed to have water in the classroom, as long as it is in a clear plastic/ glass bottle that closes. No energy drinks or pop are allowed during the school day.

Fundraising

All fundraising activities conducted by student groups and organizations and/or parent groups must be approved in advance by school administration. Participation in non-approved fundraising activities is a violation of school district policy. Solicitations of students or employees by students for non school-related activities will not be allowed during the school day. If students wish to engage in a fundraiser, they should apply by completing a *fundraising form* from the office for permission and to place the fund raising activity on the master calendar.

Gifts to Employees

Employees are not allowed to solicit, accept, or receive a gift from a student, parent, or other individual or organization of greater than nominal value. Parents/guardians and students are encouraged to write letters and notes of appreciation or to give small tokens of gratitude.

Gold Cards

"Mustang Pride" Gold Cards will be used by grades 7-12 students. Students who demonstrate 'Mustang Pride' attributes in their classrooms will be eligible for a Gold Card. Special programs will be announced during the year. Gold Cards: At the end of each quarter staff will rate students in their class. Students will be rated using the criteria of PBIS, as well as their attendance that quarter

Graduation Ceremony

Student participation in the graduation ceremony is a privilege, not a right. Students who have completed the requirements for graduation are allowed to participate in graduation exercises, unless participation is denied for appropriate reasons, which may include discipline or failure to meet state and/or district guidelines in a timely manner. Graduation exercises are under the control and direction of school administrators.

Hallways/Hallway Passes

Instructional hours are from 8:25 a.m. to 3:15 p.m. each day. Please have your child at the school no earlier than 7:45 a.m. Students should not remain on campus later than 3:30 p.m. unless they are participating in a supervised activity. Supervisors will not be provided for students who arrive before 7:45 or remain later than 3:30 p.m. The above procedures are designed for the safety and well being of students. When students enter the building in the morning, they should go to the commons area, a gym, or a classroom. These areas will be supervised. We expect that students will use appropriate language and courtesy when they are meeting friends at locker areas or walking along the hall areas. Hats are to be removed when entering the building and should be placed in lockers until the school day has ended.

Each student needs to have a signed pass if they are to be in the halls once the school day has started. These passes can be secured from the office or from classroom teachers. If a student is in a hall without a pass after a class period has started he/she will be directed to the office. At the discretion of school administration, senior privileges may begin sometime during the last two weeks of school. A list of responsibilities that attend senior privileges will be discussed with the seniors during fourth quarter. Parents will receive copies of this information. *Please note that senior privileges must be earned and may be revoked. Senior privileges are not rights and may not be awarded to every senior.*

Interviews of Students by Outside Agencies [*]

Students may not be interviewed during the school day by persons other than a student's parents/guardians or school district officials, employees, and/or agents, except as provided by law and/or school policy.

Library and Media Center

The library/media center is open during the school day. Students may use the library/media center during the school day and before and after school only when a supervisor is present. All students will be allowed to use the Media Center when dismissed by their teacher to conduct research, use the computers, or enjoy free reading. During study halls, a student who is not disrupting the study hall will be excused to use the Media Center when the student desires, except during the last ten (10) minutes of the period.

Lockers, Desks & Personal Possessions within a Locker and/or Desk [*]

According to state law, school lockers and desks are the property of the school district. At no time does the school district relinquish its exclusive control of lockers and desks provided for the convenience of students. Inspection of the interior of lockers or desks may be conducted by school officials for any reason at any time, without notice, without student consent, and without a search warrant.

Students' personal possessions within a school locker may be searched only when school officials have a reasonable suspicion that the search will uncover evidence of a violation of law or school rules. The search may include, but is not limited to, inspection of clothing, purses, wallets, backpacks, cell phones, and other personal property. Administration may use drug dogs for searches and will enforce district policy and/or refer offenders to legal officials.

Meals

Meals are to be eaten in designated areas only. Students will be notified of their assigned lunch time on the first day of school. Students may purchase lunch at school or bring a prepared lunch from home. Milk will be available for purchase for 25 cents to supplement lunches brought from home.

Students are expected to walk in an orderly manner to lunch, and to follow all cafeteria expectations that will be explained to them the first week of school. Meal prices for this school year are as follows:

	Student	Adult	Headstart
Breakfast	\$1.00	\$2.50	\$1.00
Hot lunch	\$2.00	\$4.25	\$2.00

Students may be eligible for free and reduced price lunches and/or breakfasts. Free and reduced price eligibility forms are available in the district office. For more information regarding eligibility for free and reduced price meals, contact Mary Poxleitner at 647-8286. *Only one carton of milk will be provided with meals. Additional milk may be purchased for 25 cents.* All food and drink items are to remain in the commons area.

Messages to Students

Office telephones are not for students' personal use. Students will not be called out of class to receive phone messages except in the event of an emergency. Personal cell phone use during the instructional day is prohibited. Students will be allowed to use cell phones before and after school and during their lunch hour. *Upon the first offense of unauthorized cell phone use, a student must forfeit his or her cell phone until the end of the school day. Upon the second violation, the cell phone will be held until a parent can come to the school for a conference.*

Nondiscrimination [*]

The school district is committed to inclusive education and providing an equal educational opportunity for all students. The school district does not discriminate on the basis of race, color, creed, religion, national origin, sex, marital status, parental status, status with regard to public assistance, disability, sexual orientation, or age in its programs and activities. The school board has designated Malcolm Wax, Superintendent (647-8286), as the district's human rights officer to handle inquiries regarding nondiscrimination.

Notice of Violent Behavior by Students [**]

The school district will give notice to teachers and other appropriate school district staff before students with a history of violent behavior and any disposition order which adjudicates the student as delinquent for committing an illegal act on school district property and certain other illegal acts, are placed in their classrooms. Prior to giving this notice, district officials will inform the student's parent or guardian that the notice will be given. The student's parents/guardians have the right to review and challenge their child's records, including the data documenting the history of violent behavior.

Parent-Teacher Conferences

Parent-Teacher conferences will be held twice during the school year. The first will be held in October. The spring conference will be held in March. Conference dates will be noted on the school calendar.

Parent Volunteers/Visitors

Parents/guardians are welcome in the schools and are encouraged to volunteer in their children's classrooms. To volunteer in the school district, parents/guardians should speak to the school administrators. To volunteer in the school building or classroom, parents/guardians should contact the classroom teacher. Parents/guardians who visit the school should sign in at the school office before entering a classroom. For more information, contact the school office. All entrances into the school are locked during the school day. Those wishing to seek admittance should ring the doorbell on the high school end. All adult and student visitors are asked to report to the office when entering the building to sign the visitor sheet. This allows school personnel to keep track of visitors throughout the day. Visitors must have the approval of school administration before visiting a classroom during instructional time. An individual or group may be denied permission to visit a school or school property, or such permission may be revoked, if the visitor does not comply with school district procedures or if the visit is not in the best interests of the students, employee, or the school district. To conduct a conference with a teacher, an appointment should be made in order to prevent disrupting the classroom environment.

Parking on School District Property/Patrols/Searches**

Students

The school district allows limited use and parking of motor vehicles by students in school district locations subject to the following rules:

- Parking a motor vehicle on school property during the school day is a privilege;
- Parking is permitted in designated areas only;
- Students are not permitted to use motor vehicles during the school day in any school district locations unless an emergency occurs and permission has been granted to the student by school administrators;
- Students are permitted to use motor vehicles on the high school campus(es) only before and after the school day;
- Unauthorized vehicles parked on school district property may be towed at the expense of the owner or operator.
- Snowmobiles and four-wheelers may be parked on school property in designated parking locations only. During the winter, students should park snowmobiles on the East side of the school building.

The school district may conduct routine patrols of school district properties and inspections of the exteriors of the motor vehicles of students. Interiors of students' vehicles, including glove & trunk compartments, in school district locations, may be searched when school officials have a reasonable suspicion that the search will uncover a violation of law and/or school policy or rule. If a search yields contraband, school officials may seize the item and may turn it over to legal authorities when appropriate. A student who violates, or refuses to open a locked vehicle or its compartments, this policy may be subject to withdrawal of parking privileges and/or discipline according to the school district's "Student Discipline" policy. Such patrols and inspections may be conducted without notice, without student consent, and without a search warrant.

Personal Possessions and Student's Person

The personal possessions of a student and/or a student's person may be searched when school officials have a reasonable suspicion that the search will uncover a violation of law or school rules. The search will be reasonable in its scope and intrusiveness.

Pledge of Allegiance [*]

Students will recite the Pledge of Allegiance to the flag of the United States of America at least once a week. Any person who does not wish to participate in reciting the Pledge of Allegiance for any personal reason may elect not to do so. Students must respect another person's right to make that choice. Students will also receive instruction in the proper etiquette toward, correct display of, and respect for the flag.

Posters/Advertising

Before students or student groups may put posters or advertising on school walls or lockers or anywhere else in or on school property, they must obtain prior approval from administration. Administration reserved the right to refuse permission or to remove said posters at any time.

Recess

Students in Grades K-6 will have recess before or after lunch. Students will go outside for their recess unless it is raining, or the temperature is 0.

Records

Each student has a student record on file at the school. For specific information on these please stop by the high school office. Student records are classified as public, private, or confidential. State and federal laws protect student records from unauthorized inspection or use and provide parents/guardians and eligible students with certain rights. For the purposes of student records, an "eligible" student is one who is 18 or older or who is enrolled in an institution of postsecondary education. For more complete information on the rights of parents/guardians and eligible students regarding student records, contact the school office.

The school district forwards education records on request to a school or post-secondary educational institution in which a student seeks or intends to enroll, or is already enrolled, as long as the disclosure is for purposes related to the student's enrollment, including information about disciplinary action taken as a result of any incident in which the student possessed or used a dangerous weapon, suspension and expulsion information pursuant to 20 U.S.C. 7917, part of the federal Every Student Succeeds Act.

Restrooms

Students are asked to keep all bathrooms neat, clean, and orderly. Students needing to use the bathroom once class has started need a pass from their teacher; the bathroom is not a place to loiter at any time.

Schedule

A schedule is needed to ensure the smooth operation of the school. The daily school schedule is within the authority of the building administrators to determine. Information on daily class schedules and deadlines is available in the main office.

School Activities

The school district provides opportunities for students to pursue interests that contribute to their physical, mental, and emotional health; however, instruction is the school district's priority.

Students who participate in school-sponsored activities are expected to responsibly represent the school and community. All rules pertaining to student conduct and student discipline apply to school activities whether at the Kelliher School or while visiting other school sites.

All spectators at school-sponsored activities are expected to behave appropriately. Students and employees may be subject to discipline and parents/guardians and other spectators may be subject to sanctions for inappropriate, illegal, or unsportsmanlike behavior at these activities or events. Smoking is not permitted on district property or in vehicles parked on school property.

The Kelliher School District is a member of the Minnesota State High School League (MSHSL). Students who participate in MSHSL activities must also abide by the MSHSL rules. The district will enforce all MSHSL rules during the school year and in the summer where applicable.

Employees who conduct MSHSL activities will cover applicable rules, penalties, and opportunities with students and parents/guardians prior to the start of an activity. For more information about the MSHSL rules and student eligibility requirements, contact Mr. Dan Alto, Activities Director, or refer to the Kelliher School Extracurricular Activities Handbook.

Student Conduct

We believe that most forms of public displays of affection are inappropriate for a school. Forms of affection such as, but not limited to, caressing, kissing, leaning into each other at lockers will not be allowed.

School Closing Procedures

School may be cancelled when the superintendent believes the safety of students and employees is threatened by severe weather or other circumstances. The superintendent will make a decision about closing school or school buildings as early in the day as possible or the day/evening prior to the closing date. School closing announcements will be broadcast over local radio and television stations. In addition, School Reach will be sent to home phones, emails and cell phones to notify parents and students of school closures.

Notice of school closings, late starts, or early dismissals will be announced on the following:

Radio: KKBK 103.7, KB101.1, Public Radio

Television: WCCO, KSTP, KVLV - Channel 11

Parents may also sign up to receive messages from the School Reach system by phone, cell phone, text, or email.

School-Sponsored Student Publications Materials

The policy of the school district is to protect students' free speech rights while, at the same time, preserving the district's obligation to provide a learning environment that is free of disruption. All school publications are under the supervision of the building principal and/or sponsor. Non School-sponsored publications may not be distributed without prior approval.

The school district may exercise editorial control over the style and content of student expression in school-sponsored publications and activities. Faculty advisors shall supervise student writers to ensure compliance with the law and school district policies. "Official school publications" means school newspapers, yearbooks, or material produced in communications, journalism, or other writing classes as part of the curriculum. Expression in an official school publication or school-sponsored activity is prohibited when the material:

- Is obscene to minors;
- Is libelous or slanderous;

- Embarrasses, ridicules, or shames another individual or the school district;
- Advertises or promotes any product or service not permitted for minors by law;
- Encourages students to commit illegal acts or violate school regulations or substantially disrupts the orderly operation of school or school activities;
- Expresses or advocates sexual, racial, or religious harassment or violence or prejudice;
- Is distributed or displayed in violation of time, place, and manner regulations.

Expression in an official school publication or school-sponsored activity is subject to editorial control by the school district over the style and content when the school district's actions are reasonably related to legitimate pedagogical concerns. Official school publications may be distributed at reasonable times and locations.

Senior Class Trip/ Senior Year

The senior class trip is an event that is planned on an annual basis and must be earned by the class as a whole. Members of the class must raise all funds for the trip and members must abide by rules in order to qualify for the trip. The senior class trip is a privilege, not a right and may be revoked at any time by the school district. Eligibility guidelines for individuals and for the class as a whole will be shared with the senior class at the beginning of the school year. Each individual student and the class as a whole must maintain attendance of at least 90%.

Seniors shall use any money they raise for their class trip, flower (only 2 flowers per student; 1 for graduation & 1 for Academic Banquet. If the student wants more than 2 they will need to purchase them). Any monies left after graduation will be donated to the Alumni Scholarship fund. If the student plans on decorating their mortar board, they may purchase it decorated. They will need their decorations approved by the administration. For the senior group picture, if taken outside, the class may not travel more than a 5 mile radius from school.

Snowmobiles and ATV's

If students ride their snowmobiles and/or ATVs to school, they must be parked in a designated area as determined by the Head Custodian and the administration. Students must refrain from riding on the school lawns and sidewalks with their snowmobiles and ATVs.

Student Surveys [*]

Occasionally, the school district utilizes surveys to obtain student opinions and information about students. For complete information on the rights of parents/guardians and eligible students about conducting surveys, collection and use of information for marketing purposes, and certain physical examinations, contact the school office.

Student Visitors

Kelliher School administration strongly recommends that students do NOT bring student visitors to school. Visitors create a distraction during the school day and often do not have a place to stay during the school day. In addition, a student will not be allowed to visit Kelliher School if that student will be missing a day of school at his/her own school.

Tardies

Getting to class on time is the responsibility of each student. Students are expected to be on time to all classes. If a student comes to class late without a pass from another staff person, or office, the classroom teacher will let the office know. Students coming to school late need to stop in the office.

7th-12th Grade: A student may have 2 tardies per quarter. A student is tardy if they are not in the classroom when the bell rings to start the class. If a student is 15 minutes late or more to period 1 class, they will be considered absent for that period. The consequences for being tardy are listed in the discipline plan section of this handbook. The consequences for being absent are found in the attendance section of this handbook.

K-6th Grade: A student is tardy if they arrive at school from 8:25 - 10:00 am. The district retains the right to implement an intervention regarding tardiness. If a student arrives at school after 10:00 am, they will be considered absent for $\frac{1}{2}$ day. The consequences for being absent are found in the attendance section of this handbook.

Telephones

School telephones are available for student use before and after school and during class passing time. Students should not expect to use office telephones unless during an emergency.

Textbooks/School Property

Any student will be charged for lost or destroyed textbooks, workbooks, library books, or other school property lost or destroyed. Students who intentionally damage school or another property will be held financially responsible. Those who use graffiti as an artistic outlet will be responsible for the cleanup. Disciplinary measures will also be taken.

Transportation of Public School Students

The school district will provide transportation, at the expense of the school district, for all students. Students will be picked up and dropped off at their primary residence on established bus routes. ***Students will only be dropped off at a secondary or emergency residence through prior notification given to the school office in advance or before 1:30 p.m.*** Transportation will be provided on all regularly-scheduled school days or make-up days. Transportation will not be provided during the summer school break, except in certain circumstances. The school district will not provide transportation for students whose transportation privileges have been revoked or have been voluntarily surrendered by the student's parent or guardian. The school district may provide transportation for students to and from extracurricular activities.

Video- and Audio-Taping on School Buses

All school buses used by the school district may be equipped for the placement and operation of a video camera. The school district will post a notice in a conspicuous location informing students that their conversations or actions may be recorded. The school district may use a videotape of the actions of student passengers as evidence in any disciplinary action arising from the student's misconduct on the bus.

Video & Audio Taping Places Other Than Buses

The school district buildings and grounds are equipped with video cameras. Video surveillance may occur in any school district building or on any school district property.

Visitors Parking

Visitors are permitted to park in designated school district visitor parking areas. Unattended vehicles left in other locations on district property may be towed at the owner's expense.

PART II – ACADEMICS

Alternative Educational Opportunities

Some students may be at risk of not completing their educational programs. The school district provides alternative learning options for students who are at risk of not succeeding in school. Alternative educational opportunities may include special tutoring, modified curriculum and instruction, instruction through electronic media, special education services, homebound instruction, and enrollment in an alternative learning center, among others. Students and parents/guardians with questions about these programs should contact the school office.

Full-time Alternative Learning: Students who opt to attend an off-campus alternative learning program on a full-time basis will be considered no longer enrolled as a student in the Kelliher School District. Therefore, they may not participate in activities such as school dances, homecoming, or prom, unless they are invited as a guest by a currently-enrolled Kelliher student who is in good standing. However, they may participate in the graduation ceremony at the end of the school year.

Cheating and Plagiarism

Cheating and plagiarism are prohibited. To plagiarize is to take ideas, writings, and other intellectual property from another and pass them off as one's own. Scholastic dishonesty which includes, but is not limited to, cheating on a school assignment or test, plagiarism or collusion including the use of picture phones or other technology to accomplish this end, will not be tolerated.

Plagiarism and cheating will be determined at the teacher's discretion, will be considered cheating, and will result in a zero for the assignment. Students may be disciplined in accordance with the school district's "Student Discipline" policy.

Class Load Requirements

Parents must approve all course changes and registrations. The school recommends a minimum of (7) classes per day. Band, along with another class, will count as a one-credit class; choir, along with another class, will count as a one-credit class; band and choir taken together, will count as a one-credit class. Any exception to this rule needs cooperation between parent and principal. Students 9-12 will not be allowed a study hall, unless they are taking an online class. They may also have a study hall opposite band & choir, if they are involved in only one of them. Students in grades 9-12 who are in risk of losing credit may be assigned a class period of Academic Support, see requirements.

Class Rank/Academic Standing

Provisions for recognizing class rank and awarding academic honors are local district decisions. The honor status of Valedictorian and Salutatorian will be awarded to the two top students in the senior class. The awards are based on academic achievement at Kelliher High School and are determined by the following criteria:

1. Must have been a full-time student at the school from the beginning of the junior year.
2. All credits earned by a student in mainstream unmodified classes from grade 10 through third quarter of his/her senior year will be used to determine a scholastic average.
3. In unusual circumstances, more than one Valedictorian or Salutatorian may be named.

PSEO, as well as OCHS, classes are included in determining grade point average (GPA) or class rank. A PSEO student is considered a full time student of Kelliher School.

*All classes in grades 9-12 count for graduation credit totals and will be utilized to determine class rank.

*Students who earn 29 credits or more will be recognized at graduation

Extended School Year Opportunities

The school district provides extended school year opportunities to a student who is the subject of an Individualized Education Program (IEP) if the student's IEP team determines the services are necessary during a break in instruction in order to provide a free and appropriate public education. For more information on extended school year opportunities for students with an IEP, contact the school office.

Grades

Students' grades will be reported at the end of each quarter during the year. Report cards will be mailed to parents/guardians or eligible students and will be available online for review. Online grades and progress reports may be reviewed at any time through the *Parent Experience/Student Experience* portal in *Synergy*. Progress reports will be mailed to homes that do not have Internet access at the midpoint of every quarter.

After each nine-week grading period, the names of students who qualify for either the Distinguished, A, or B Honor Rolls will be compiled and made public. Any student with an incomplete grade at the end of the quarter will not be eligible for the honor roll.

To qualify for the Distinguished Honor Roll, a student must have earned no grade less than an "A-" in any class. Grade point averages will be carried out to the 1,000th of a point. To qualify for the "A" Academic Honor Roll, a student must earn a 3.50 average with no D's or F's or incomplete work. To qualify for the "B" Academic Honor Roll, a student must earn a 3.00 average with no D's or F's or incomplete work.

SPA Scale for online college classes is as follows:

- A-4.5
- B-3.5
- C-2.5
- D-1.5

GRADING - ALL TEACHERS MUST USE THE FOLLOWING GRADING SCALE -

Teachers will assign student grades based on the following grading scale:

A 93-100 A- 90-92.99 B+ 87-89.99 B 83-86.99 B- 80-82.99 C+ 77-79.99 C 73 - 76.99
C- 70-72.99 D+ 67-69.99 D 63-66.99 D- 60-62.99 F 59.99 & below

In all cases, when figuring grades, any percentage with a decimal will be rounded up.

In all cases, when figuring grades, any percentage with a decimal will be rounded up.

Semester tests will be administered at the discretion of each classroom teacher. When determining the final semester grade, teachers will weight grades according to the following scale:

Each quarter percentile grade will carry equal weight. For those students not required to take semester tests, each quarter grade will be 50%.

For students who take semester tests, the 1st quarter grade will be worth 40% the 2nd quarter grade will be 40%, and the semester test will be 20%.

Teachers will decide the weight of specific components for their classes. For example, the percentage weight for tests, homework, daily work and projects will determine the final grade for the quarter. This information will be put in writing, and given to students at the start of the class. A copy must also be turned into the office.

* Any credits earned from a regular education accredited high school will transfer to the Kelliher School under the Kelliher School District's point scale system; students will be granted credit in accordance with Kelliher School Policy. Any class not taken through a regular education accredited high school will be graded on a pass/fail basis and will not count towards class rank or the student's grade point average.

Graduation Requirements [*]

Students must meet all course credit requirements and graduation standards, as established by the state, in order to graduate from Kelliher School. All students must also pass any tests the district or state requires.

Science	3 years	Must include one credit of biology and one credit of physical science and one chemistry or physics. An agricultural science or a career and technical education course may fulfill a science credit.
Social Studies	4 years	9 th grade - Geography (1 credit) 10 th grade - US History (1 credit) 11 th grade - World History (1 credit) 12 th grade - Civics ($\frac{1}{2}$ credit) Economics ($\frac{1}{2}$ credit)

Elective Courses	7 credits	

All students must satisfactorily complete the following required Minnesota Graduation Standards:

Minnesota Academic Standards, Language Arts K-12
Minnesota Academic Standards, Mathematics K-12
Minnesota Academic Standards, Science K-12
Minnesota Academic Standards, Social Studies K-12
Minnesota Academic Standards, Arts K-12

Students with an individualized education program, Section 504 accommodation plan, or limited English proficiency needs may be eligible for testing accommodations, modifications, and/or exemption. For additional information, contact school administrators.

Homework

Homework assignments are made by the teachers. The amount of homework varies by teacher and subject area. The school district asks for parents/guardians to encourage their child(ren) to complete homework thoroughly and promptly.

Students are expected to complete all homework in a timely manner. Any work missed during an absence will be reported on an absentee slip that a student must pick up after an absence. Students not seeking an absentee slip upon return to school will be given a tardy. *Students have two days to complete makeup work for the first day of absence and one day for each successive day of absence.* Failure to do so or to make arrangements otherwise may result in a failing grade for the work not completed. Students who skip class will not receive an extension of time to complete missing work. *Assignments may be given no more than 50% credit when turned in one day late and zero credit when turned in two or more days late.*

Honor Student/Graduate Status

To be considered an honor student or honor graduate, a student must earn a cumulative GPA of at least 3.25. Modified Special Education grades will be calculated by using the regular education high school grading scale for honor roll status as well as to determine grade point averages (GPA) towards graduation honors and class rankings. *Other modifications, i.e.: modified testing, modified assignments, extra time to complete class assignments will also be taken into account when determining honor status.*

Online College Enrollment Options

A. Tenth, eleventh and twelfth graders may apply to enroll in Online College in the High School options and other advanced enrichment programs. General information about the OCHS program will be provided to all 9th, 10th, and 11th grade students by March 1. Qualifying credits granted to a student through an OCHS course or program will be counted toward the graduation and credit requirements of the *Kelliher School that meets the state academic standards. Students must fulfill and complete their Kelliher High School graduation course requirements within the OCHS program parameters in order to receive a KHS diploma.* Interested students must fill out an application form and submit it by March 30 to the Career Center Office for enrollment the following school year. The application form must be signed by the student and his/her parent or guardian. Students wishing to take a OCHS course should contact the High School Office to begin the application process.

B. *OCHS credits will be counted as follows: Seven (7) quarter or four (4) semester college credits equal at least one full year of high school credit. Fewer college credits may be prorated. A district must also grant academic credit to a pupil enrolled in a course for postsecondary credit if secondary credit is requested by a pupil.*
2009 Minnesota Statutes: 124D.09 POSTSECONDARY ENROLLMENT OPTIONS ACT, Subd. 12. Credits.

For example: students are required to take English 12 in their senior year of Kelliher High School. This is a year-long class, 2 semesters, and equals 1 High School credit. In college, a student would take College Writing I the first semester, and College Writing II the second semester. Each semester they would receive 3 college credits. At the end of the year, they will have received their full 1 credit in English 12 for the Kelliher School, and 6 college credits. These six (6) college credits would then relate to 1 ½ H.S. credits in English, not 1.

(College credits are determined and assigned to each college course by the participating college, not the High School.)

A student who fails a post-secondary enrollment options course or program or who does not satisfactorily complete a post-secondary enrollment options course or program may be required to reimburse the school district for the cost of the course.

Parent Right to Know [*]

If a parent requests it, the school district will provide information regarding the professional qualifications of his/her child's classroom teachers, including, at a minimum, the following:

1. whether the teacher has met state qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
2. whether the teacher is teaching under emergency or other provisional licensing status through which state qualification or licensing criteria have been waived;
3. the baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree;
4. whether the student is provided services by paraprofessionals and, if so, their qualifications.

Promotion - Retention Policy

All students are expected to achieve an acceptable level of proficiency. Students who achieve at an acceptable level will be promoted to the next grade level at the completion of the school year. Retention of a student may be considered when professional staff and parents/guardians feel that it is in the best interest of the student. The administration's decision **will be** final. The district has a variety of services to help students succeed in school. For more information, contact the school administration.

The School Board has adopted a policy to alleviate social promotion in the Kelliher Public School. Therefore, the following guidelines will be followed for retention:

K-2nd students will be retained based on the joint decision of the parents and teacher based upon the best interest of the child. When a parent denies the recommendation of the teacher for retention, a waiver must be signed and dated by the parents to document this decision.

3rd - 6th grade students who receive 2 F's at the end of the school year in the core subjects of math and reading, which includes spelling, language arts and vocabulary, may be retained in their current grade. Students in danger of failing a core subject will be identified by the end of the first semester and a personalized plan will be developed. This plan will

provide a cohesive plan for remediation developed collaboratively by the teacher, student, parents, and the administration.

The Board has developed a policy for promotion based on reading performance after completion of 3rd grade. A copy of the student promotion and retention policies are available in the Office or by the hyperlink above.

7th - 8th a 8th grade student who receives 1 or more F's at the end of the school year in the core subject areas of math, science, language arts, reading, or social will be assigned academic support during their 9th grade year. Students receiving 3 or more F's in core subject areas will be considered for retention. These students may be given a possible second chance for promotion through attendance in summer school. .

9th - 12th grade students failing required classes (including 8th grade algebra) will be required to repeat those classes. Students may be required to complete one semester or both semesters of a class. Students failing required classes will need to repeat those classes through credit recovery opportunities. Credit recovery opportunity guidelines: 1st retaking the class during the next school year, 2nd attending summer school, and as a last option the school will work with the student to develop a plan for completion of credits needed to graduate.

Academic Support

Academic support is a student based class opportunity offered to selected students to help ensure they are making progress towards graduation. Students offered this opportunity will receive partial elective credit toward graduation for being in academic support and be graded as pass/fail. Academic support will be a part of the curriculum and is built into the schedule for all 7th and 8th grade students, the focus of academic support at this age level is to help students transition from the elementary to the high school. Academic support will be assigned to any 9th grade student who failed 1 or more core classes as an 8th grader, as outlined above in the retention policy. Students in grades 9-12 could be assigned academic support during the school year based upon a review process with teachers, administration, and parents/guardians.

Transition Success

All new students to the district in grades 7-12 may be assigned a Transition Success power hour class. This class will be a place for new students to work on the skills necessary to be successful at the Kelliher School. Students enrolled in this class will be earning elective credit towards graduation and be graded as pass/fail.

5th and 6th Grade Classrooms

The 5th and 6th grade level classrooms are arranged as follows: one of the teachers will teach math for both 5th and 6th grade and the other teacher will teach reading for both 5th and 6th grade.

Summer School

The school district may provide summer school learning opportunities. If offered, summer school will be prescriptive and focus on individual needs to meet the curriculum for passing, not merely to meet seat-time goals. For more information, contact the main office.

PART III — RULES AND DISCIPLINE

Attendance [**]

The Kelliher School Board, administration and staff believe that regular school attendance is directly related to success in academic work, benefits students socially, provides opportunities for important communications between teachers and students and establishes regular habits of dependability which are vitally important to the future of the student. We also believe that class attendance is a joint responsibility that is shared by the student, parent or guardian, teachers and administrators.

Minnesota State law requires that all persons under 17 years of age attend school. It is the student's right to be in school with the responsibility to attend all assigned classes and study halls every day that school is in session. The student also needs to be aware of and follow the correct procedures when absent from an assigned class or study hall. It is also the student's responsibility to request any missed assignments due to an absence.

It is the responsibility of the parent or guardian to ensure that the student is attending school, to inform the school in the event the student is absent, and to work cooperatively with the school to solve any attendance problems that may arise.

If a student is going to be absent, the parent/guardian is asked to call the school office by 9:00 a.m. on the day of absence. In addition, the parent should also ask for a list of assignments so that the student can begin working on homework prior to returning to school. If a phone call can't be made, the student should bring a signed note from the parent/guardian on the next day of school attendance. A failure to call or deliver a note by 9:00 am the following day of an absence will cause the absence to be considered as unexcused.

If a parent/guardian knows his/her child will be absent in advance, the parent should provide a signed note or call the office at least one day before the planned absence. Lack of phone call or signed note will indicate to the school that an absence should be counted as a truancy situation.

In cases where the attendance requirements are not met, the school will proceed with enforcement according to current State and School Board Policy. Specific admission requirements, restrictions, and enrollment options may be found in Policy 509 of the Kelliher School Board. If a student has missed five days (k-6th Grades), and/or five class periods (7th-12th Grade), a letter of concern will be sent home. Once a student misses more than 10 days, and/or 10 class periods, either excused or unexcused, he or she risks failing that class. Once a student has missed five days, or five class periods, a letter of concern will be sent home. When a student has missed ten days, or class periods, either excused or unexcused, the student's parent(s) must come to the school for a conference with administration. A Student/Parent/School contract will be signed by parent, student, & principal or designee to all work cooperatively to ensure improved school attendance. Students may also be required to bring a doctor's note if they are absent more than 10 days.

Policy 509 is entitled, "Enrollment of Nonresident Students". This policy states "it is the policy of the school district to accept students who are non-residents within the guidelines herein and also to provide a quality education to all students in the school. Non-resident students will be expected to follow all district policies (i.e. Discipline Policy, Attendance Policy, etc.) and will be subject to all rules and regulations of the district." Within this policy are the restrictions, time lines, and forms that are to be completed for Open Enrollment, Agreements between School Boards, Graduation Incentives, Waiting List, Parent Involvement, and school records that need to be provided under this policy. A copy of this policy is available in the Superintendent's Office.

The district may terminate enrollment of a non-resident student if that student meets the definition of a habitual truant under the amended M.S.124D.03 state statute and/or fails to meet the district threshold for attendance. Once the school year has begun, new students need to bring complete documentation to the school. New students will not start school until all previous school records are on file and a new student/parent orientation meeting has been held. New students should not expect to start school on the same day that an orientation meeting is held. If a student is enrolled under the Policy 509 misses more than 10 days or 10 class periods during a semester, that student may lose his/her status as an open-enrolled student or a student attending under a board-to-board agreement in order to allow another student on the waiting list to attend Kelliher School.

Students between the ages of 18 and 21 are entitled to free educational services as outlined by Minnesota statute M.S. 120.06 which states, "Notwithstanding the provisions of any law to the contrary, the conduct of all students under 21 years of age attending a public secondary school shall be governed by a single set of reasonable rules and regulations promulgated by the school board." The regulations for 18-year-olds at Kelliher will be the same as for students under 18. Eighteen-year-olds will not be allowed to write their own excuses for absenteeism. This also includes passes. The only exception would be in the case of an "Emancipated Minor" (18-year-old head of household)

Students will be granted an excused absence by meeting at least one of the following criteria:

- Medical or dental appointment
- Family vacations

- Illness of self or serious illness in student's immediate family
- Legal emergency, court appearance by family or personal action
- Death in the student's family, a relative or close friend
- Religious instruction not to exceed three hours in any one week
- Family emergency such as work at home or other unavoidable circumstances
- Participation in activities related to school
- Additional requests are to be made to the principal and the request shall be evaluated on an individual basis.

For information on how the attendance of homebound students is recorded in terms of being absent from school, contact the high school office. Students who know well in advance that they are going to be absent from school for excusable reasons should contact the principal's office with a note from a parent, that they will be absent on a particular day. The student should also contact each of his/her teachers and obtain as many assignments ahead of time as possible.

It is the school's prerogative to determine whether an absence is labeled excused or unexcused. The District also retains the right to implement an intervention regarding acceptance of homework once a student is habitually truant. Such students may be given zeros or partial credit for days they are unexcused.

The above policy could be altered to make exceptions for students with disabilities who are on IEP's or 504 plans.

Specific Consequences of Absenteeism:

Students who attend the school prom need to be in school for a full day of attendance the day before the prom is scheduled.

Attendance during Field Trips:

When a field trip is scheduled, all students are expected to treat the field trip as a classroom away from the regular school building. Unless they have a valid reason for being absent, students should attend all regularly-scheduled field trips. *If a student cannot attend a field trip, he or she is still expected to be in school during the school day to continue with coursework and complete homework.*

Truancy and Educational Neglect:

"Habitual Truant" is defined in Minn. Stat. § 260C.007, Subd. 19 as:

1. a student under the age of 17 who is absent from attendance at school without lawful excuse for:
 - a. seven school days if the student is in elementary school or
 - b. one or more class periods on seven school days if the student is in middle school or junior high, or
2. a student under the age of 17, or between the ages of 17-18 if the student has not legally withdrawn from school, who attends high school, and who is absent from attendance without a lawful excuse for one or more class periods on seven school days

Bullying Prohibition []**

The school district is committed to providing a safe and respectful learning environment for all students. Acts of bullying, in any form, by either an individual student or a group of students, is prohibited on school district property or at school-related functions. For detailed information regarding the school district's "Bullying Prohibition" Policy contact the school office.

Buses—Conduct on School Buses and Consequences for Misbehavior []**

Riding the school bus is a privilege, not a right. The school district's general student behavior rules are in effect for all students on school buses, including nonpublic and charter school students. The school district will not provide transportation for students whose transportation privileges have been revoked.

The school district is committed to transporting students in a safe and orderly manner. To accomplish this, student riders are expected to follow school district rules for waiting at a school bus stop and rules for riding on a school bus.

While waiting for the bus or after being dropped off at a school bus stop, all students must comply with the following rules:

- Arrive at the bus stop five minutes before your scheduled pickup time. The school bus driver will not wait for late students.
- Respect the property of others while waiting at the bus stop.
- Keep your arms, legs, and belongings to yourself.
- Use appropriate language.
- Stay away from the street, road, or highway when waiting for the bus.
- Wait until the bus stops before approaching the bus.
- After getting off the bus, move away from the bus.
- If you must cross the street, always cross in front of the bus where the driver can see you. Wait for the driver to signal to you before crossing the street.
- No fighting, harassment, intimidation, or horseplay.
- No use of alcohol, tobacco, or drugs.

While riding a school bus, all riders must comply with the following rules:

- Follow the driver's directions at all times.
- Remain seated facing forward while the bus is in motion.
- Talk quietly and use appropriate language.
- Keep all parts of your body inside the bus.
- Keep arms, legs, and belongings to yourself and out of the aisle.
- No fighting, harassment, intimidation, or horseplay.
- Do not throw any object.
- No eating, drinking, or use of alcohol, tobacco, or drugs.
- Do not bring any weapons or dangerous objects on the school bus.
- Do not damage the school bus.

All school bus/bus stop misconduct will be reported to the school district's transportation safety director. Consequences for school bus/bus stop misconduct will be imposed by the school district under adopted administrative discipline procedures. Serious misconduct may be reported to local law enforcement.

Consequences for school bus/stop misconduct will apply to all regular and late routes. Decisions regarding a student's ability to ride the bus in connection with co-curricular and extracurricular events (for example field trips or competitions) will be at the sole discretion of the school district.

Consequences of Misconduct on Buses or at Bus Stops:

- 1st Offense - Verbal reprimands
 - 2nd Offense - Warning; Parent contact
 - 3rd Offense - 3-day suspension from riding the bus; parent meeting
 - 4th Offense - Removal of riding privileges for the remainder of the school year.
- Parents or guardians will be notified of any suspension of bus privileges.

*Discipline [**]*

Misbehavior by one student can disrupt the learning process for many other students. In addition, students must learn to practice good safety habits, value academic honesty, respect the rights of others, and obey the law. For detailed information on the Student Code of Conduct and consequences for violations, contact the office.

If a student is sent from any class or activity for a rule infraction, the teacher or activity leader will be asked to complete a Discipline Referral. This form will indicate the rule that was broken. The student will be given an opportunity to explain why they were removed from the class or activity, the parent/guardian will be informed by phone or mail of the referral, and the administrative decision will be indicated on the form. These forms will be kept on file.

The Discipline Guidelines used by the Principal are built on a progressive basis. These guidelines will be distributed and discussed in classes the first week of school. A form will be given to students to take home for their parents/guardian to sign after reviewing the discipline guidelines with their child/(ren). These forms will be kept on file in the school office. Because of their age difference, elementary students will be subject to a modification of the following set of Discipline Guidelines. After carefully reviewing all evidence and documentation, the Principal and/or Superintendent has the authority to make an exception to stated consequences when the circumstances indicate.

SCHOOL-WIDE POSITIVE BEHAVIOR INTERVENTION (SW-PBIS)

School and district support for character education and behavioral intervention is very strong and therefore, the district will support implementing SW-PBIS to continue to further achieve the goals of the district to remove all barriers to education. The district supports the effort to build its capacity to identify clear behavioral *outcomes* for all staff and students, utilize evidence-based practices to achieve those outcomes, and understand data/information use to support sustainable, safe and positive learning environments.

The flowchart and Office Discipline Referral forms on the previous pages outline the procedures and consequences associated with various behaviors and the outcomes of problematic behaviors. All staff members from classroom teachers to bus drivers and support staff will be encouraged to follow the same protocols, as outlined on flow chart, when encountering problem behavior from students.

CODE OF STUDENT CONDUCT (Policy 506-4)

The following are examples of unacceptable behavior subject to disciplinary action by the school district. These examples are not intended to be an exclusive list. Vandalism

Vandalism of any district property is prohibited. Violators will be disciplined and may be reported to law enforcement officials.

PART IV – HEALTH AND SAFETY

Accidents & Medical Attention for Students

The Kelliher School provides a school nurse to ensure the health and wellness of students. Students must possess a pass from class to visit the nurse's office. Parents/guardians will be informed if a student is too ill to remain in school or has become injured. All medications must be registered with the nurse's office. The nurse will determine if the medication should be left in the nurse's office, or if the student will be allowed to maintain possession of their medication. All student injuries that occur at school or school-sponsored activities should be reported to the Kelliher School nurse. Parents/guardians of an injured student will be notified as soon as possible. If the student requires immediate medical attention, the principal or other district leader will call 911 or seek emergency medical treatment and then contact the parent(s).

First Aid

The nurse's office is equipped to handle minor injuries requiring first aid. If the nurse's office is not open, assistance can be sought from the building's administrative office. If a student experiences a more serious medical emergency at school, 911 will be called and/or a parent/guardian will be contacted depending on the situation.

Students who become sick at school should notify their teacher that they wish to see the nurse. The school nurse will arrange for students who become sick at school to go home early. A parent/guardian should notify the school if his/her child is unable to attend school because of illness.

Asbestos Management Update [*]

The school district has developed an asbestos management plan. A copy of this plan can be found in the district offices and is available on the district's website.

Automated External Defibrillators

The district has installed automated external defibrillators (AEDs) in the commons next to the Media Center doors.

Communicable Diseases

To protect other students from contagious illnesses, students infected with certain diseases are not allowed to come to school while contagious. If a parent suspects that his/her child has a communicable or contagious disease, the parent should contact the school nurse or principal so that other students who might have been exposed to the disease can be alerted.

Students with certain communicable diseases will not be excluded from attending school in their usual daily attendance settings as long as their health permits and their attendance does not create a significant risk of transmitting the illness to other students or school district employees. The school district will determine on a case-by-case basis whether a contagious student's attendance creates a significant risk of transmitting the illness to others.

Crisis Management

The school district has developed a "Crisis Management" policy. Each school building has its own building-specific crisis management plan. Students and parents will be provided with information as to district- and school-specific plans.

The "Crisis Management" policy addresses a range of potential crisis situations in the school district and includes general crisis procedures for securing buildings, classroom evacuation, campus evacuation, sheltering, and communication procedures. The school district will conduct lockdown drills, fire drills, and a tornado drill. Building plans include classroom and building evacuation procedures.

Immunizations

All students must be properly immunized or submit appropriate documentation exempting them from such immunizations in order to enroll or remain enrolled. Students may be exempted from the immunization requirement when the immunization of the student is contraindicated for medical reasons; laboratory confirmation of adequate immunity exists; or due to the conscientiously held beliefs of the parents/guardians or student. The school district will maintain a file containing the immunization records for each student in attendance at the school district for at least five years after the student reaches the age of 18. For a copy of the immunization schedule, or to obtain an exemption form or information, contact the school nurse, Colleen Hillman at 218-647-8286 (ext. 1108).

Lice/Bed Bugs

If a student has been determined to have lice, the school nurse or representative will notify the parent/guardian, that the child needs to be treated before returning. When returning to school, the child must have the school nurse inspect him or her for any continuing signs of lice. If lice are still present, the student must be treated again.

Bed bug infestations at school are uncommon. If bed bugs are found at school, the student's parent/guardian will be notified by the school nurse.

Pink Eye

If a student has pink eye, the student must not come to school until he or she has been on appropriately prescribed medication for a minimum of 24 hours.

Pesticide Application Notice [*]

The school district may plan to apply pesticides) on school property. To the extent the school district applies certain pesticides; the school district will provide a notice by September 15 as to the school district's plan to use these pesticides. A parent may request to be notified prior to the application of certain pesticides on days different from those specified in the notice. Additional information regarding what pesticides are used, the schedule of pesticide applications, and the long-term health effects of the class of pesticide on children can be requested by contacting district offices.

Safety

The safety of students on campus and at school-related activities is a high priority of the district. While district-wide safety procedures are in place, student and parent cooperation is essential to ensuring school safety.

The Kelliher School maintains a crisis prevention policy that requires practicing a number of safety drills (fire, tornado, intruder lock-downs, etc.) to be conducted at various times throughout the year. In the event of a real crisis, parents and guardians will be notified as soon as safely possible through a number of communication methods available to the district.

Tobacco-Free Schools [**]

School district students and staff have the right to learn and work in an environment that is tobacco free. School policy is violated by any individual's use of tobacco or tobacco-related devices in a public school, on school grounds, in any school-owned vehicles, or at any school events or activities. Students may not possess any type of tobacco or tobacco-related device in a public school, on school grounds, in any school-owned vehicles, or at any school events or activities. Any student who violates this policy is subject to school district discipline. For detailed information on the school district's "Tobacco-Free Environment" policy, contact the office Contact school administrators if you have questions or wish to report violations.

[Note: A limited exception to the tobacco prohibition exists for adult members of an Indian tribe, as defined under Minnesota law, who may light tobacco on school district property as a part of a traditional Indian spiritual or cultural ceremony.]

Weapons Prohibition

No person will possess, use, or distribute a weapon when in a school location except as provided in school district policy. A "weapon" means any object, device, or instrument designed as a weapon or through its use is capable of threatening or producing bodily harm or which may be used to inflict self-injury including, but not limited to, any firearm, whether loaded or unloaded; air guns; pellet guns; BB guns; all knives; blades; clubs; metal knuckles; nunchucks; throwing stars; explosives; fireworks; mace and other propellants; stun guns; ammunition; poisons; chains; arrows; and objects that have been modified to serve as a weapon. A weapon also includes look-alike weapons. Appropriate discipline and action will be taken against any person who violates this policy. The school district takes a "zero tolerance" position in regard to the

possession, use, or distribution of weapons by students. Discipline of students will include, at a minimum: immediate out-of-school suspension; confiscation of the weapon; immediate notification of police; parent or guardian notification; and recommendation to the superintendent of dismissal for a period of time not to exceed one year. A student who brings a firearm to school will be expelled for at least one year, subject to school district discretion on a case-by-case basis. For a copy of the "School Weapons" policy, contact the school office.

Wellness

The Kelliher Public School district school board and staff believe that the ability to learn is enhanced in an environment that promotes the mental and physical health of each student. In order to afford students the opportunity to fully participate in the education process, the district shall promote a healthy school by supporting wellness, good nutrition and regular physical activity as a part of the total learning environment. The district shall support a healthy environment where children learn and participate in positive dietary and lifestyle practices. By facilitating learning through the support and promotion of good nutrition and physical activity, the school contributes to the basic health status of children. Improved health optimizes student performance and helps ensure that no child falls behind academically. For detailed information on the school district's Wellness policy, contact the office. The district Wellness Committee will meet twice a year to review the wellness policy and its applications.
