The first order of business was welcoming and introducing our new members. Parent/Business 1 year – Shavani Taneja, Parent 1 year – Jessica Gunn, Parent 2 year – Leigh Ann Gates, Teacher 1 year – Michi Dunmon, Teacher 2 year – Jodi Short, and Parent/Business 2 year is Amy Etheridge. Amy Etheridge will serve as the chair. Shivani Taneja will serve as the Vice Chair, and Jodi Short will serve as the secretary.

An update of the School Improvement Plan was given. Our mission is that everyone learns every day including our teachers. We are focusing on that this year and participating in job embedded professional development. The CCRPI will be changed to NA for all primary schools. Our state, district, and school focus is on literacy this year.

We will host several instructional nights this year. See agenda for specific dates.

We have integrated new levels into our HCLI to truly see where our below level A readers are. With this information, teachers can plan small groups accordingly.

We discussed the awning in the back of the building. Parents were concerned that it had not been repaired yet. April explained that there was a law suit with the charter bus company and the BOE. This suit had to be settled before anything could be repaired. We should hear something soon.

The tarp has been reinstalled on the playground. We have a plan with the company if it should tear again.

There was no other additional business. The motion was made to adjourn the meeting by Jodi Short, and Amy Etheridge seconded the motion.
