Dear Parents and families,

April 24, 2020

As a Title I school, West Fannin Elementary values your input and observations about our school and how we are serving your child. We are committed to the academic growth of every child and partnering with our families to support our learners.

Every spring we review the feedback we have received from our families during the school year and revise both our Parent and Family Engagement Plan and our School-Parent Compact. We get most of our data from the Parent and Family Engagement Survey that families were encouraged to complete back in February. Based on your responses on that survey, here are some things we heard from you:

- 100% of those surveyed are aware that West Fannin offers opportunities for parents to share feedback and ideas on setting decision making goals.
- The top three preferred methods of communication are Class Dojo, Automated phone calls, and Paper (Newsletters and Upcoming Events).
- 51% of our parents communicate with their child's teacher weekly and 21% communicate monthly.
- Parents would like us to offer Parent Teacher Conferences in late afternoon, early evening, or via conference call.
- The best time for parents to attend events at school varies: 27% during school hours, 26% between 4:00 and 6:00, 25% after 6:00.

Based on your feedback, in 2020-21 West Fannin plans to do the following:

- We are going to continue using the preferred methods of communication. In addition, we will post "Events" on Facebook and Class Dojo at least a month in advance if possible.
- We will be offering more flexibility next year for Parent Teacher Conferences.
- Since the best time for parents to attend events varies, we will continue to offer a wide variety of events at different times. We will also strive to make events, such as trainings, available using technology for those who cannot attend.

If you have any other suggestions to help us meet these goals or if you have another goal you think would benefit West Fannin, please contact Shannon Cioffi, our Title I Parent Liaison, by phone or email.

Sincerely,

Alison Danner, Principal
