

Dear Parents,

Welcome to third grade! I am excited about teaching and getting to know you and your child.. Of course, this year will look much different than any of us have ever known. Some students will be in class, while others are learning virtually. I assure you that I, along with others at PHES, are working diligently to make sure all of the students' needs are met. I do want your child's learning to be a pleasant one that is filled with rich experiences, challenging projects, great achievements, and lasting friendships.

In order to accomplish these tasks, I feel it is very important to develop and maintain a partnership with you. I will do my best to keep you involved in your child's education and activities. My commitment to your child is genuine and our partnership is essential to your child's education-both academically and behaviorally. Feel free to email me at brandi.malin@dcsms.org or you can contact me through SchoolStatus.

Again, I am looking forward to a great (and very different) year! I am so glad to be back and doing what I love....educating my third grade babies!

Sincerely,

Brandi Malin
