

AUTAUGA COUNTY SCHOOLS DEEP CLEANING GUIDELINES

(Custodians are required to wear disposable gloves and masks while cleaning.)

Deep cleaning procedures will be implemented immediately once notified of a positive COVID-19 case. Custodians must adhere to the following guidelines:

- Shut down the building under the directive of the Superintendent or designee.
- Wait 24 hours before disinfecting the building.
- Open doors and windows to increase air circulation in the area once the custodians arrive.
- Use a disinfectant to sanitize all areas such as offices, restrooms, lunchrooms, gyms, and any other common areas within the building.
- Use disinfectant to sanitize shared electronic equipment such as tablets, computers, touch screens, monitors, keyboards, etc.
- Reopen building once the area has been properly disinfected.
