 - inform you of your school's participation in Title I,
 - explain the requirements of Title I, and
 - explain your rights as parents and family members to be involved.

What is a Title I school?

- Title I was passed in 1965 under the Elementary and Secondary Education Act (ESEA). It is the largest federal assistance program for our nation's schools.
- Title I schools receive extra funding (Title I dollars) from the federal government. These dollars are used to:
 - identify students experiencing academic difficulties and provide assistance to help these students;
 - purchase additional staff, programs, materials, and/or supplies; and
 - conduct parent and family engagement meetings, trainings, events, and/or activities.

What are my rights?

- The families and parents of Title I students have a right, by law, to:
 - be involved in decisions made at both the school and district level;
 - be provided with information on your child's level of achievement on tests in reading/language arts, writing, mathematics, and science;
 - request and receive information on the qualifications of your child's teacher and paraprofessionals who are working with your child; and
 - request opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions about the education of your child. The school is required to respond to any such suggestions as soon as practicably possible.

What can Title I funds be used for?

- In general, Title I funds may be used for:
 - smaller class sizes,
 - additional teachers and paraprofessionals,
 - additional training for school staff,
 - extra time for instruction (before and/or after school programs),
 - parent and family engagement activities, and/or
 - a variety of supplemental teaching materials, equipment, and technology.

How does our school use Title I funds?

- In **2020-2021**, our school was allotted approximately **\$65,103.50** in Title I funding.
- We developed a **Schoolwide Program**, which means we plan to spend our funds on the following:
 - Instructional Coach & Paraprofessionals
 - Programs/Materials/Supplies: Study Island, Planbook, smartboards, chromebooks
 - Teacher Professional Development

What is the SIP?

- The SIP is the School Improvement Plan. It includes:

 - a needs assessment and summary of academic and non-academic data;
 - prioritized goals, strategies, and action steps to help address the academic and non-academic needs of students;
 - teacher and staff professional development needs; and
 - budgets and the coordination of resources.
- The school must include family representatives on our school planning team.

What are our schoolwide program goals?

- Increase our TNREADY scores by 3% in Reading and Language Arts.
- Increase our TNREADY scores by 3% in Math.
- Increase our School Attendance.

What is parent and family engagement?

- “Through effective communication with parents, teachers can have the greatest impact on their day-to-day success with students. With parents on their side, teachers can more effectively manage most academic and behavioral issues that arise. When the most important adults in a child’s life are working together, students benefit enormously.”

—Lee and Marleen Canter

How is parent and family engagement funded?

- Any district with a Title I allocation exceeding \$500,000 is required by law to set aside 1% of its Title I allocation for parent and family engagement.
- Of that 1%, 10% may be reserved at the district for system-wide initiatives related to parent and family engagement. The remaining 90% must be allocated to all Title I schools in the district.
- You, as Title I parents and family members, have the right to be involved in how this money is spent.

How is parent and family engagement funded?

- In 2020-2021, we received approximately \$2,212.20 in parent and family engagement funding. We plan to use these funds for:

 - hold parent-teacher conferences, annually in elementary schools;
 - provide parents with reports on their child's progress;
