### 5450 ATHLETIC AWARDS

The Board of Education believes that athletics are an important part of the school program and will recognize the achievements of pupils who give many hours of their time in the district athletic program.

Individual athletic achievement will be recognized by the award of certificates, trophies and medals.

Community groups and individuals may recognize the athletic achievements of pupils provided that the award and the criteria by which its recipient is selected have been approved by the Superintendent.

The Superintendent shall develop procedures for the recognition of pupil athletes that ensure the equitable selection of award recipients, the designation of appropriate awards, and the arrangement of suitable presentation ceremonies.
