Tony Shinall
Superintendent

Brimfield Families,

Julie Albritton
Grade School Principal

Hello Brimfield families! We hope this letter finds you and your family healthy and well.

Bill Robison
High School Principal

As we have now completed two and a half weeks of in-person instruction, I would like to thank some groups of people for their assistance in making the start of the school year so successful.

Bren Dwyer
Grade School Secretary

I would like to thank the faculty and staff of Brimfield CUSD #309. Their ingenuity and planning has been instrumental to the success we have had thus far. They have proved, yet again, that they are second to none.

Julie Edwards
High School Secretary

Kelsey Messineo
School Counselor

In addition, I would like to thank the families and students of the district. We could not have experienced this level of success without you! From encouraging good hygiene, to following guidelines asking for students to stay home if ill, to helping us all with masking and face coverings, it has been a true team effort.

Kevin Kreiter
H.S. Athletic Director

Jason Sunderland
G.S. Athletic Director

That being said, I encourage all of us to keep up the great work. This is a situation we all know can change very rapidly. We are seeing this success because we are all doing our best. I encourage all of us to proceed as we have the past two and a half weeks in order to stay with in-person instruction as long as possible.

Kyle Petty
Bookkeeper

Michele Cox
Asst. Bookkeeper

In other news, Brimfield will be benefitting from a change made by the USDA and the Illinois State Board of Education. Effective Tuesday, September 8, 2020, Brimfield CUSD #309 will be participating in the Summer Food Service Program. This program, which has been extended through December 31, 2020, will allow for all Brimfield CUSD #309 students to eat lunch for free. This only covers the regular lunch that is served. It does not apply to any other ala carte items.

Lonna Sumner
District Nurse

Please have a safe and restful three-day weekend.

Yours in Education,

Tony Shinall

Superintendent
