

Dear Parents,

Good evening! I hope everyone is doing well. I have set up the program Brain Pop Jr for everyone. I've never used this before so it is a learning experience for all of us. It allows me to give assignments to the students remotely. They can do the assignments, and then I will see the results on my end.

All you need to do is to create an account for your child using the code and instructions I e-mailed to you. If you didn't get the email, or lost the code feel free to e-mail me anytime. I am hoping that this will give the kids a bit of time away from the paper pencil, but they will still be reviewing important skills. I assigned three lessons for us to practice on.

www.brainpop.com

Our class name is Clapsadle2a

Remember this is new to all of us! No worries!

Tell the kids I really miss them all.

Thank-you,
Heather Clapsadle
