

1. Q: Where and when do we get to choose what to take (Art, French, and stuff like that)?
A: Elective surveys were sent out twice in May to parents. If you did not pick, I chose for you.
If you were in Band, you are scheduled for band again this year.
2. Q: Are there any specific school supplies they are expected to have right now?
A: The supply lists are posted at phillipsprep.com. Get the supplies you would generally expect them to need and keep them organized by class.
3. Q: When do we get Schoology accounts?
A: Login information for Schoology will be in the materials you pick up later this week. The username is your school email and the password which was reset by the district to: upper-case first initial, lower-case last initial, 10 digit birthdate. **DO NOT CHANGE THE PASSWORD FOR ANY REASON.** (i.e. John J. Smith BD: Jan 8, 2006 would be a password equal to Js01082006). If you recently changed it, it was reset AGAIN to this formula.
4. Q: Would you please share the powerpoint with us?
A: Powerpoint, recording of this meeting and Q&A from the CHAT will be posted at www.phillipsprep.com under PARENT INFO, PARENT RESOURCES.
5. Q: If you have multiple students, will you be able to scan a lunch card from another school?
A: Doesn't matter what school you go to for meal pick up, they will be able to scan. It is important, however, to have cards for everyone you are picking up meals for beginning September 7th.
6. Q: Where do we get to choose what to take?
A: Elective surveys were sent out twice in May to parents. If you did not pick, I chose for you. If you were in Band, you are scheduled for band again this year.
7. Q: How can we get the access codes for the parents in Schoology?
A: A: **A link was sent out on Friday morning, 8/21, by the district about the Student and Parent Orientation Group. Parents should visit this site for information. <https://acp.mcps.com/> Student and Parent Orientation Group in Schoology -Group Code: 33BB-5VB5-GVZF3**
Be sure to watch the video under parent resources.
Individual Parent Schoology login information is coming from the district. They are working to upload parents. Hopefully, by the end of the day on Thursday. At that time, they will communicate a 12 digit code for each parent.
8. Q: Are students to be in full uniform?
A: We ask that students be up, out of the bed, hair brushed, and dressed in clothing appropriate for public viewing. We do NOT expect uniforms during remote learning. Shirt & pants without inappropriate pictures, logos or profanity. We will hold uniform violations until we return to the building.
9. Q: How will students needing WIFI hotspots be able to log in before the hotspots are delivered?
A: They won't be able to login without the hotspot.
10. Q: Are schedules going to be issued on Thursday when we pick up resources?
A: No, when students login to mcps.schoology.com with their school email credentials, all of their courses are listed. The LAST number in the 3 digit course number is the class period. For example: 004, 014, 104, 204 are ALL 4th period classes. If your child has two classes during one period, the one that BEGINS with a 2 will begin 2nd SEMESTER. For example: 204 is a Second semester 4th period class.
11. Q: If my child was in band last year will she be in band again?
A: Yes, unless they selected another option on the elective surveys in May.

12. Q: What is the new password?

A: Login information for Schoology will be in the materials you pick up later this week. The username is your school email and the password which was reset by the district to: upper-case first initial, lower-case last initial, 10 digit birthdate. **DO NOT CHANGE THE PASSWORD FOR ANY REASON.** i.e. John J. Smith BD: Jan 8, 2006 would be a password equal to Js01082006. If you recently changed it, it was reset AGAIN to this formula. The site to login is: mcpss.schoology.com

13. Q: Is it possible to get a recording so kids can see?

A: Powerpoint, recording of this meeting and Q&A from the CHAT will be posted on www.phillipsprep.com under PARENT RESOURCES.

14. Q: The Schoology classes don't tell students what period they have the class. Is there an actual schedule in Schoology?

A: Each course has a 3 digit number in the name. With the exception of HOMEROOM, the LAST digit is the period. For example: 004, 014, 104, 204 are ALL 4th period classes. If your child has two classes during one period, the one that BEGINS with a 2 will begin 2nd SEMESTER. For example: 204 is a Second semester 4th period class.

15. Q: How can the parents sign up for Schoology?
