## DEDICATION

*We the seniors of nineteen hundred eighty-seven would like to take this opportunity to dedicate our annual:*

*First: To Mr. John Carlson, our adviser. You have been with us for a long time, helping us make decisions. Thanks for being a friend, teacher and our adviser.*

*Second: To Mr. Frank Guenther, we thank you for being patient with us and helping us put this annual together. And for driving us on our skip day.*

*Third: To the rest of the faculty members that we've had over the years, and mostly to our parents. We thank you for being there and for caring for us through our school years. We love you.*

*Class Color - Maroon, Pink and Silver*

*Motto: If memories were worth gold, our class would be a treasure.*

SENIORS SNAPS

W I L L S

Lisa Simenson - I will my abilities to get into trouble to any underclassmen that feels they are too straight.

Delores Ann Grundmeier - I will first to Eric Bundy the gum stuck on the side of my locker (by the time you get to be a senior Eric it might be a little stale but who cares right?) and second to any junior who wants my great locker (just leave the gum for Eric, ok.) Last I will my Ability to stay out of trouble to any underclassmate who needs to stay out of trouble. (good Luck)

Dawn Leonhardt - Being every now and then of sound mind and body, do hereby will my ability to be the last one out of the locker room to Pauline. Carry on the tradition? And to Tricia I will my lonely bus rides with "shades". Enjoy the ride!!!

Jeff Swanson - I will my reading and spelling ability to anybody that needs it

Frank Hand - I will my ability to avoid homework to Beth and Michelle.

Steven Stomberg - I Steven Stomberg being of sound body and worn out mind make my last will and testament. First I bequeath my locker and English essays to Michelle Eklund and Beth Gilbertson. Send my basketball abilities to Scott (pea-for-a-brain) Long, my buddy.

Wade Rennemo - I will

Quentin Burns - I will not.

Steven Allen Ufford - I Steven Ufford, being of 512K Mind will my computer ability to anyone who has the courage to take Carlson's computer class.

Bonnie Lasch - I, Bonnie Lasch, being of great mind and fair body, do heretofore and thereafter, bequeath my ability for cruising main street in the big town of Kelliher and not using a full tank of gas and ruining my tires by doing "cookies" by the Tap-A-Keg to "The Gremlin Boys!!!" I will my good abilities in majorettes to Sandra Reid (even though she may not need them), and last but not least, I will my ability to attend school and get good grades in Accounting to "Everybody Knows Who!?!?!?"

Stephen Tosten Mostad - I, Stephen T. Mostad, being of excellent mind and sound body, leave and bequeath everything I don't have to anybody who doesn't need anything.

Collette Kemmer - I will my ability to write essays in English to Jeff Wittwer (Good Luck) and to Becky Kemmer my heater in social studies that my sister willed to me that never worked.

I Pete Olson being of sound body but worn out mind, bequeath to Bob Leonhardt my football catching abilities as he will be needing them. I also leave my ability to have a good time to Jeff Wittwer.

Keith Frenzel - I, Keith Frenzel, being of sound mind and body will my finance and creditability to Jamie Caneen, my innocence to Dennis Frenzel, my ability to drive to Beth Gilbertson, and last my messy, dirty, full of garbage locker to anyone in the junior class who wants it.
