I will also be creating a class in seesaw for everyone to join to get daily/weekly reminders.

Hi, I am Mrs. Fisher and I am so thrilled to be your child's teacher. I am excited to get to know each of your children and guide them through their 2nd grade journey. I will strive to help them succeed in both their education and finding their leadership qualities. I have been a long term substitute at PPS since the beginning of November 2020 in the Pre-k unit and was then hired to teach 2nd grade here at PPS January 2021 to the end of the year. Before substitute teaching I was a stay at home mom and photographer. I have loved my time at PPS and am so happy to be part of the family!

## A LITTLE ABOUT ME:

I have been married to my husband, Matt since December 2010. We have 2 children, Harrison (2nd grade here at PPS), and Natalie (Kindergarten at PKS). We have lived here in Prattville almost all of our lives and I actually went to 1st and 2nd grade here at PPS. I have wonderful memories from this school and plan to create memories with your children that will last a lifetime.
