PO BOX 380

323 E. CLINTON STREET

BRIMFIELD, IL 61517

November 8, 2020

Tony Shinall
Superintendent

Good Evening Brimfield families.

Julie Albritton
Grade School Principal

This afternoon, Brimfield administration learned of a positive COVID-19 test for a bus driver who serves Brimfield CUSD #309. The bus specifically serves Brimfield Grade School and Brimfield students who attend school at other locations.

Bill Robison
High School Principal

We have notified the Peoria City/County Health Department. Through contact tracing, we have identified individuals who need to quarantine. All of those individuals have been contacted.

Bren Dwyer
Grade School Secretary

Julie Edwards
High School Secretary

We still plan to open tomorrow, Monday, November 9, 2020. Please be ready for a shift to remote learning with very little notice. While we have endeavored to remain in-person, safety and staffing are driving forces that will determine how long we are able to sustain in-person learning.

Kelsey Messineo
School Counselor

Kevin Kreiter
H.S. Athletic Director

Please continue to wear masks, remain socially distant, and wash hands frequently. If a student is experiencing COVID-19 symptoms, please do not send the child to school.

Jason Sunderland
G.S. Athletic Director

Kyle Petty
Bookkeeper

We appreciate the flexibility and grace the Brimfield community has shown throughout this semester. Working together is the only way we will stay in-person for as long as we can.

Michele Cox
Asst. Bookkeeper

Thank you and have a good night.

Lonna Sumner
District Nurse

Your in education,

Tony Shinall
