

# LMS Basketball Booster Club

Parents,

We are excited about welcoming your student athletes back for the 2020-2021 school year! This season will certainly prove to be challenging. Please know that your LMS Basketball Booster Club is committed to providing your student athlete with the best experience possible. With that being said, we are currently accepting membership applications to join the booster club this season.

Your child's membership is \$35 for the season. This membership fee basically covers your child's pre-game meals for all away games (average is \$5-6 per meal). We are asking that members pay \$35 for each child you have on the basketball team. Mr. Meadows has also given us the concession stand at the basketball games this year. We will get 100% of those profits. There are 8 home games, and we will need volunteers to work those games. You will never work during your child's games.

Our booster club will be limited on the types of fundraisers we can work on this year, and we want to make sure that each player has a good meal before away games. We are asking that every parent that is able to join the Booster Club, send their membership dues in by October 23<sup>rd</sup>. If you have any questions regarding membership, please email us at [lmsbballbc@gmail.com](mailto:lmsbballbc@gmail.com). Please fill out the form below and include it with your child's payment. This can be turned in to Coach Lewis, or sent via PayPal. If you choose PayPal, please include your child's name and grade in the "notes" section, pay using the FRIENDS AND FAMILY method (so there is no additional fee charged) and send this form back in with your child.

Thank you so much, and we are looking forward to a great basketball season!
