

Students are expected to follow the rules and regulations set forth in the *Autauga County Code of Conduct* and our classroom rules.

Student behavior will be tracked on a *clip chart* in the classroom. They can “**clip up**” for positive behaviors and “**clip down**” for negative behaviors.

We will also use **Class Dojo** to document movement of clips and accumulate points for rewards.

We will have *Fun Fridays* to reward good behavior. Students will miss time for clipping down (15 min. for 1 clip down, all time that week for 2 or more clip downs.)

If a student reaches the *bottom* of the chart, I will contact you to discuss their behavior.

If a student reaches the bottom of the behavior chart *3 times* in a 9 weeks, they will be referred to Mrs. Wilson.
