

## **New Market Elementary School - Kim Allred**

How do you even begin to describe teacher Kim Allred? She is flexible, reliable, helpful, easygoing, and the list can go on and on. Her best attribute is building relationships with children. She treats them as if they were her own - guiding them, leading them, and supporting them academically and social/emotionally. Ms. Allred is known for reaching out to the families and creating trusting relationships with each of them. Despite the many challenges that have come her way this year, she remains positive and upbeat and continues to hold both herself and her students to high expectations. The beauty of it all is that Ms. Allred continues to love what she does and it shows on a daily basis. We are super proud to announce Kim Allred as our STAR Employee at New Market Elementary School for December.
