

Kindergarten

In this packet you will find 6 weeks worth of work, extra work (if you choose to do so), and content we have not formally covered yet in the classroom (but will help them in 1st grade). Each week is designated by a paper clip. In each paper clip it is organized by ELA then Math. You will do 1 ELA and 1 Math activity per day. In addition to the packet, we will be hosting 2 Zoom calls every week beginning on Monday, April 27th to Thursday, May 28th. Please do the sheets in the order specified because 1 of the Zoom calls will be a live review of the sheets with the teacher. We hope this helps your child and their success in 1st grade. Newport Grammar School is using the motto, "Stay Connected and Stay Available". Please let us know if you have any questions. We will be in contact soon. Thank

you!

Best,

Kindergarten Team

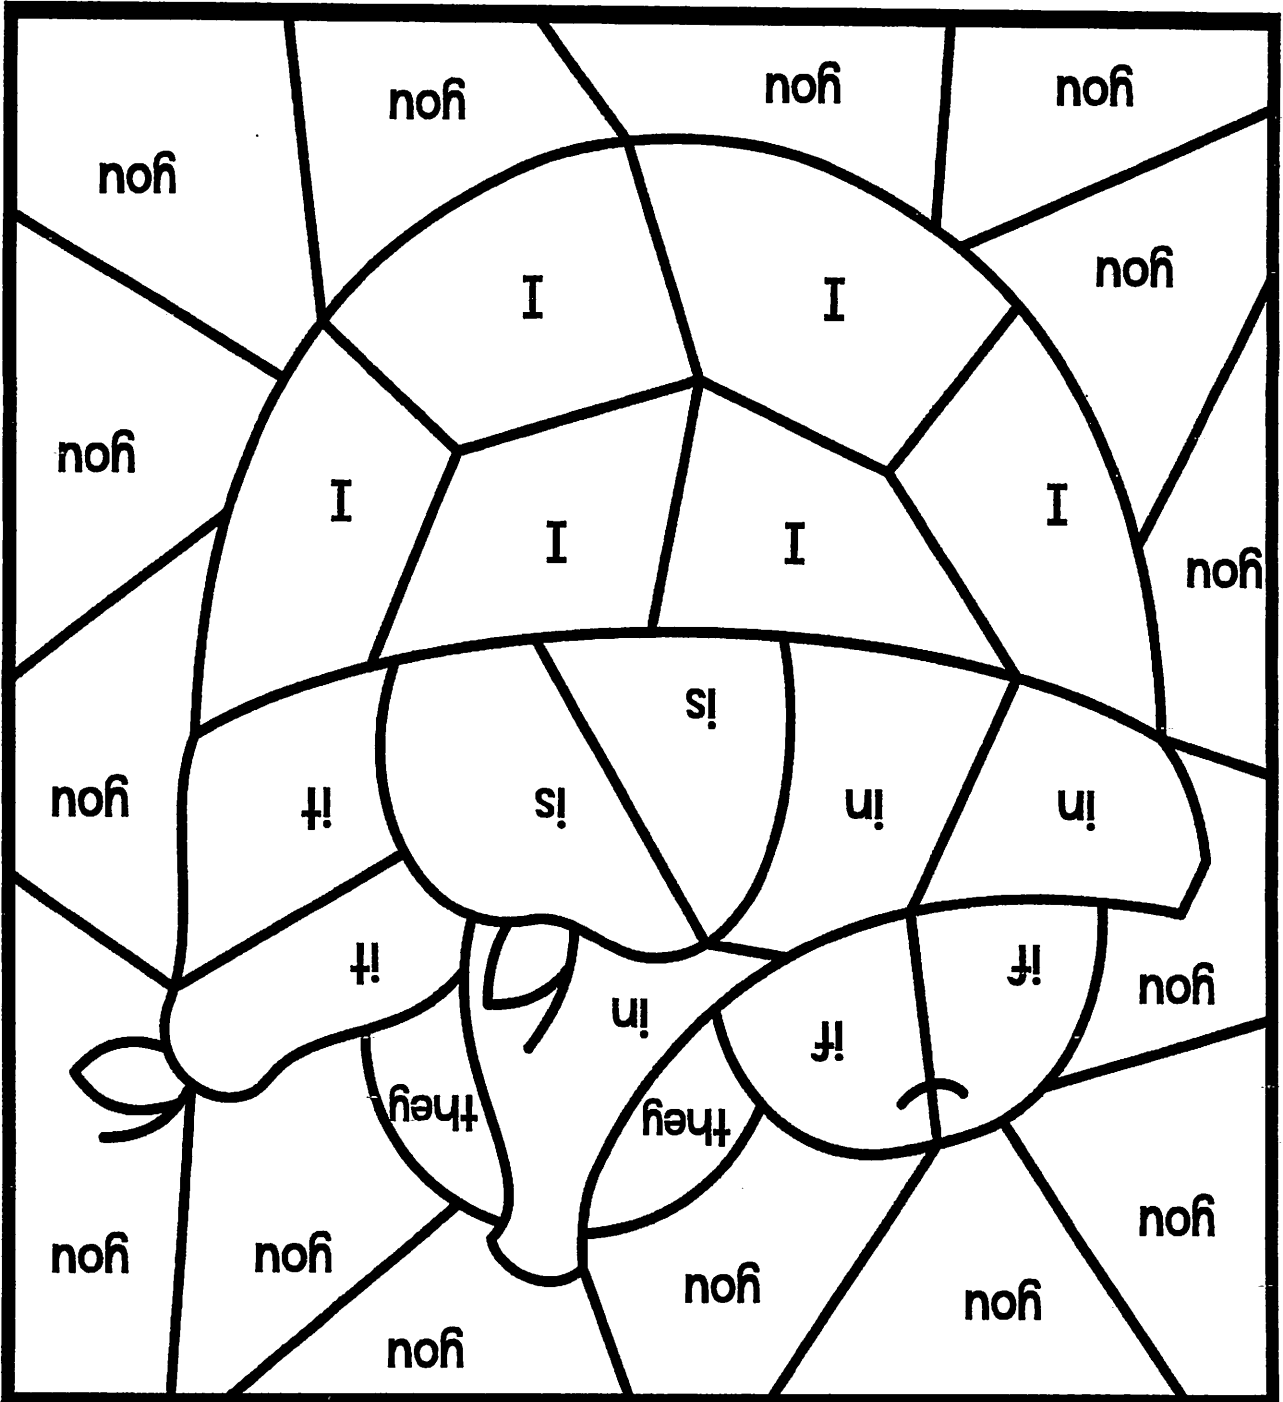

Write your first name.

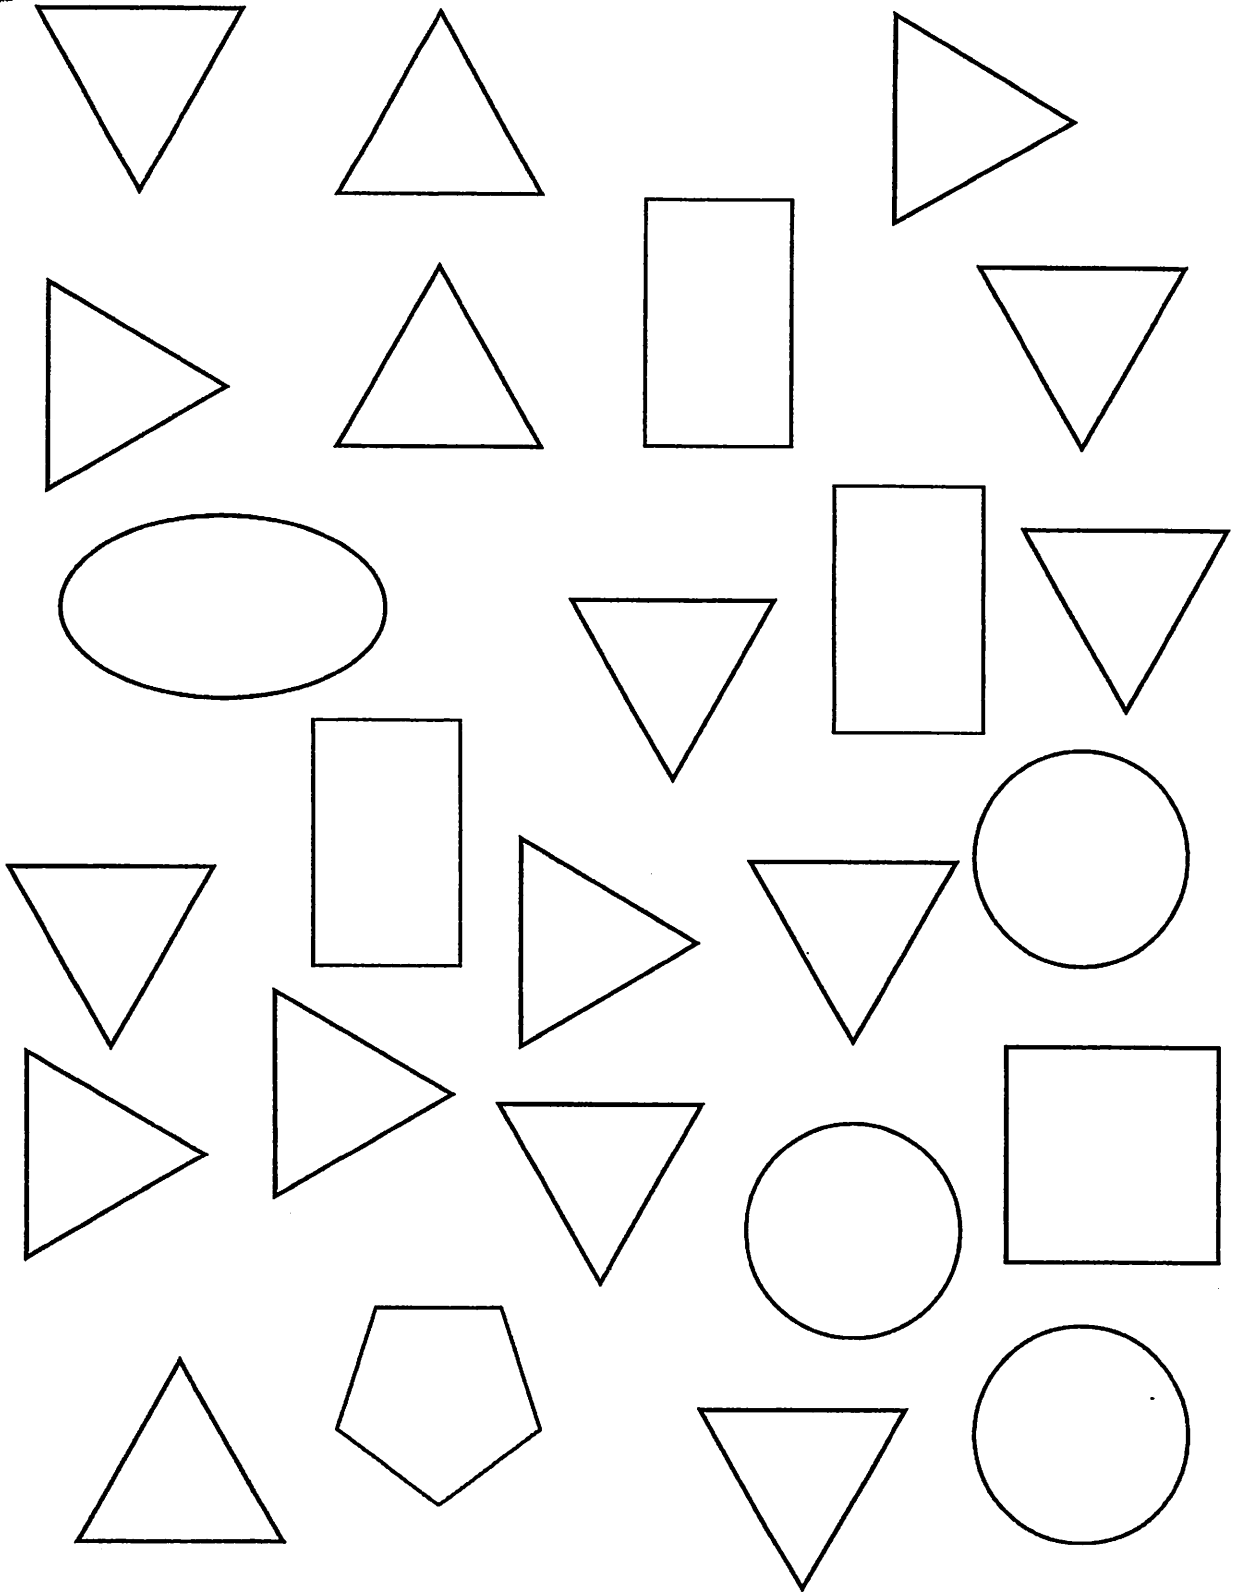

Week 7

I=blue you=pink they=brown
 is=red it=green in=yellow if=orange

Color.

Color the triangles. 

Name
