### **Meals Provided Children during School Closure**

HOUSTON COUNTY, GA – The Houston County School District is offering meals at no charge for children while schools are closed due to the COVID-19 pandemic. Beginning Tuesday, March 17, the district will offer breakfast and lunch to any child up to 18 years of age. Children do not need to be enrolled in the Houston County School District to receive meals.

Two serving methods will be offered Monday through Friday. Meals will be available at four schools between 11:00 a.m. and 1:00 p.m. in the car rider or bus lane; and district vans will deliver meals to select neighborhoods once a day.

Meals may be picked up from these four schools: Huntington Middle, Matt Arthur Elementary, Northside High, and Tucker Elementary. The meals will be delivered similar to a restaurant drive through. As vehicles come through the car rider or bus lane, meals for each child in the car will be given to the family. This will make it quick, safe and convenient and allows the family to stay in their vehicle. Each child in the vehicle will be allowed two meals for breakfast and two meals for lunch.

In addition, the district will deliver food during the week once a day, using the existing summer feeding routes. This program has existed for close to 20 years. Seven mobile routes will travel scheduled routes through Houston County neighborhoods to bring food directly to families. The vans will travel to stops all over Warner Robins and Perry to reach more children, especially those families unable to come to one of the school sites. The routes have been carefully planned to reach as many children in qualifying neighborhoods as possible. The routes are provided below with approximate times.

Superintendent of Schools Dr. Mark Scott said, “We want to help make sure that children in our community receive healthy and nutritious meals while schools are closed. Our lunchroom workers are passionate about feeding kids! Any child is welcome to the meals, whether enrolled or not in our schools.”

He added, “During this unprecedented time, it’s wonderful to see how our entire community is pulling together to take care of our families.”

The addresses for the four school sites follow.

- Huntington Middle, 206 Wellborn Road, Warner Robins, GA 31088
- Matt Arthur Elementary, 2500 Highway 127, Kathleen, GA 31047
- Northside High, 926 Green Street, Warner Robins, GA 31093
- Tucker Elementary, 1300 Tucker Road, Perry, GA 31069

The Director of School Nutrition, Meredith Potter, commented, “This is an opportunity for our School Nutrition to be of service to our community, and we are happy to help any of our families during this time.”

The van delivery routes with approximate times follow. The times may be adjusted as needed.
