RE: Resignation

Date: May 23, 2018

It is with mixed emotions that I write this resignation letter from my teaching and SADD advisor positions with the Verndale School. I have enjoyed working in the district for the past ten years.

I have been supported by both Mr. Brownlow and Mr. Follingstad along with other staff members both professionally and personally. I have learned a lot and grown as a teacher with our Marzano and other professional development models as well as coaching from the administration.

When faced with the decision to take a job closer to home where my daughter will begin Kindergarten I had to choose family. I can still do what I love, teaching children, and be closer to home so we can participate in more school and community events.

I appreciate the support I've received from many individuals on staff and in the community. Thank you for the opportunity!
