Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2019-20 educational progress for the Thomas Read Elementary and New Era Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Kara Vanderweele for assistance.

The AER is available for you to review electronically by visiting the following website **<http://www.shelbypublicschools.net>**, or you may review a copy in the main office at your child's school.

For the 2019-20 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of the labels above.

Though our student achievement data is showing growth in the number of students proficient in reading, writing, and math, Thomas Read and New Era Elementary continue to work hard to ensure we provide a safe environment to engage, encourage, and prepare all students to think critically and excel at lifelong learning. There are several key initiatives in our school to ensure that we achieve our mission. There are several key initiatives in our school to accelerate student growth and achievement.

- We implemented new curriculum resources during the 2015-2016 school year in the areas of reading, writing and math. We continue

to utilize these resources to provide consistent instruction for our kindergarten through fifth-grade students.

- Title I, ESL, and Migrant support services for qualifying students • Differentiated instruction for all students in reading and math.
- Summer school opportunities for ESL and Migrant students.
- After school and summer programming for students through a 21st Century grant (ASPIRE).
- High Impact Leadership Project implementation for the 2018-2019 school year focused on writing.

State law requires that we also report additional information:

Thomas Read Elementary is the only lower elementary school in the district. Students are not assigned to our building, but are free to enroll as residents of our district.

1. The School Improvement Plan has been updated for the 2018-2019 school year. It is a three-year plan that includes goals, strategies, and activities in all core academic areas. It can be found under the AER section on our district webpage:  
<http://www.shelbypublicschools.net/>
