What is a School-Parent Compact?

It is a written commitment describing how all members of a school community—parents, teachers, principals, and students—agree to share responsibility for student learning. This compact helps bridge the learning connection between school and home. This agreement is jointly developed by all stakeholders and is reviewed/revised annually based on feedback from all stakeholders. The compact will be discussed during parent-teacher conferences.

Parents are welcome to contribute comments at any time.

Parents can provide feedback on the compact at any time during the school year. Please call (478) 953-0450 or visit or our website at www.eses.hcbe.net for more information on the school-parent compact.

Parent Engagement Program

At ESES, our Parent and Family Engagement Coordinator, Ashley Pike, is here to assist parents and to provide opportunities for parents to learn how to better help their students academically at home. Our PFEC is available Monday-Friday 8:30am-4:00pm and can be reached at (478)953-0450.
