

Thank you for your interest in Wetumpka Volleyball! Following is some information to help guide us through summer workouts, tryouts, and the season. Please note that this is a fluid situation. We will follow all current recommendations of the CDC and ADPH. Please know that with COVID-19, things could change at a moment's notice. Our number one priority is the safety and health of our student athletes and our community.

The AHSAA has prohibited open tryouts from taking place until July 27. **We will hold formal tryouts for any interested athletes on July 27 from 8am-12pm.**

We will begin summer conditioning/workouts Tuesday, June 23 from 8-11am. These sessions are OPTIONAL. Please know that attendance is encouraged, but participation does NOT guarantee a spot on any team. Also, a student may opt out of summer workouts but still choose to try out on July 27. Team composition will be determined at tryouts July 27.

Prior to summer participation, here are the things we need from you:

1. Complete the following Google Form with student information. This will be used to determine how many girls are interested and aid in compiling our workout groups. (Link: <https://forms.gle/cRFgtQoeAfswrzhX9>)
2. Complete the 2020-21 Participation Consent Form and the Concussion Form (2 forms) as required by AHSAA and ECBOE. This can be completed digitally on DragonFly or you can access a copy on the AHSAA or WHS web pages. After you complete the Google Form mentioned above, an email will be sent to you including information on how to use DragonFly. (Link: www.dragonflymax.com)
3. Students MUST have a copy of a current physical. Returning athletes will already have one on file (these are good until August), new athletes will need to acquire one.

Please note: if your child shows up to conditioning or tryouts without these 3 documents completed or submitted, she will be turned away and not allowed to participate. In addition, ALL participants will be required to bring their own water bottle and face covering. These are not optional. Please understand this is for the health and safety of everyone involved.

Thanks again for your interest in the Wetumpka Volleyball program. We appreciate your patience and understanding as we navigate through these uncharted waters together.
