CATHOLIC SCHOOLS WEEK 2020
COMMUNITY SERVICE DAY PROJECT

Blessings In A Backpack of Frederick has a mission to raise awareness of childhood hunger and improve the lives of local children who depend on school meals as their primary source of nutrition by providing food when school meals are not available. On Monday, Jan. 27th all SJRCS students will pack a bag of non-perishable food and help load the truck that will deliver our 520 bags to 2 local schools for distribution.

Each bag will contain 8 items, 4 for each day of the weekend.

Our HSA will provide 2 of the items, and we ask for your generous contributions of
the following so we can help feed local children in need!

PreK and Kindergarten families. . . Fig Bars OR Fruit and Grain Bars (any flavor)
1st grade families. . . . . . . . . . individual packs of oatmeal (any brand or flavor except chocolate)
