

CARROLL COUNTY SCHOOLS

164 Independence Drive | Carrollton, Georgia 30116 | Phone 770.832.3568 | carrollcountyschools.com

We are excited about the beginning of the 2021-2022 school year and especially about fall sports and events! As we provide face-to-face premier academics, extra-curricular activities and programs, we will continue to focus on the health and well-being of our students and staff.

According to the CDC's *Guidance for COVID-19 Prevention in K-12 Schools*, vaccination is currently the leading public health prevention strategy to end the COVID-19 pandemic. Promoting vaccination can help schools safely have in-person learning as well as extracurricular activities and sports, and will help keep students in school. People who are fully vaccinated are at lower risk of symptomatic or severe infection. Students/Employees who have been fully vaccinated will not need to quarantine if they come in close prolonged contact with someone who has COVID - 19.

In accordance with CDC guidance, Carroll County Schools will advertise vaccine opportunities for our staff and students when possible. Please check our social media accounts often for updated information.
