CRITERIA FOR ADMINISTRATION OF THE ENDOWED SCHOLARSHIP PROGRAMS

1. GENERAL

The following scholarships,

- **Eva Sanders Moore Scholarship Program**
- **Dathel Crews Norment Scholarship Program**
- **Darrell E. "Preacher" Moore Scholarship Program**
- **Thomas Taylor Norment Scholarship Program**
- **Jerry Don and Connie Norment Moore Scholarship Program**

were created by charitable gifts, held and managed by the Southern Baptist Foundation, as endowment funds to provide income for use in awarding college tuition and living expense scholarships.

The criteria established in this document were developed by the Scholarship Committee in cooperation with the originators of the endowments, and were shared with the Southern Baptist Foundation. The intent of this effort was to provide more consistency and fairness in the review and selection processes and the awarding of the scholarships.

2. ADMINISTRATION OF THE SCHOLARSHIP PROGRAM

The First Baptist Church of Barlow congregation administers the Scholarship Program through a **Scholarship Committee**. The church congregation determines the committee's size, number of members and the length of terms. Membership is typically composed of the following:

- 1) Pastor (ad hoc member)
- 2) One or more deacons
- 3) At-large members

The **Scholarship Committee** may request the County School Superintendent of Education, High School Guidance Counselors, Teachers, or others for assistance in the evaluation of the credentials for the scholarship candidates.

The **Scholarship Committee** determines how applications should be solicited, received, processed, evaluated, etc.

If for any reason, the First Baptist Church of Barlow cannot administer the Scholarship Program, the Southern Baptist Foundation must be notified.

Subsequently, the Foundation will solicit and approve another Southern Baptist Church located in Ballard County, Kentucky to administer the program.

3. APPLICATION PROCESS

Scholarship applications and the submission procedures are available online at www.fbcbarlow.com, or from the First Baptist Church of Barlow. Applications are accepted **once per year** at a time determined by the **Scholarship Committee**. First time applicants submit an application tailored for new high school graduates. College students applying for a continuing scholarship submit updated information using a different application form. In either case, i.e., first year or continuing, the application process is valid for the upcoming fall semester, **and** for conditional consideration of a continuing scholarship for the spring semester. Consideration in the spring requires submission of grade reports and other information specified by the **Scholarship Committee**.

The **Scholarship Committee** determines the notification dates, interviews, evaluation methods, and final selection of applicants. The scholarship award amounts are determined by the procedures of **SECTION 6**, and the **APPENDIX**.

It is the **RESPONSIBILITY** of each applicant to ensure that:

- 1) **The Application is accurately and fully completed**
- 2) **The Application is submitted by the deadline**

The **Scholarship Committee WILL NOT**:

- 1) Return inaccurate/incomplete applications or request missing information
- 2) **Accept** for consideration any applications received after the **deadline**

However, the Scholarship Committee may host a meeting with applicants and provide information and guidance in completing the application form.

4.2 CONTINUATION-OF-SCHOLARSHIP SELECTION CRITERIA

In addition to the **SELECTION CRITERIA** of Section 4.1, additional criteria for **SELECTION** of a continuation scholarship are:

However, once the last term attended and a cumulative GPA are again elevated above or equal to a 2.7 on a 4.0 system, a new application can be submitted for a continuation scholarship. The **Scholarship Committee** may by unanimous vote, change this value anywhere in a range of 2.7 to 3.3

- 4) Maintained enrollment in the undergraduate, graduate or professional oriented major program **and** institution initially approved by the **Scholarship Committee**. If a student changes majors, or institutions, it is their responsibility to submit a new application for consideration by the **Scholarship Committee**

The recipient of the scholarship will be identified as either an

- 1) **Eva Sanders Moore Scholar**
- 2) **Darrell E. Moore Scholar**
- 3) **Dathel Crews Norment Scholar**
- 4) **Thomas Taylor Norment Scholar**
- 5) **Jerry Don and Connie Norment Moore Scholar**

With the recipient's permission, the **Scholarship Committee** will attempt to give recognition in the local newspapers, at high school award day, at a church sponsored recognition ceremony, etc. A plaque or other suitable listing of recipients may be created, (should not be paid for with scholarship funds), and displayed at Ballard Memorial High School, and/or at the church where the recipient attends.

6. SCHOLARSHIP AWARD AMOUNTS AND DESIGNATIONS

6.1 SCHOLARSHIP AWARD AMOUNTS

The dollars available for scholarship awards depends on the investment growth, interest and expenses experienced by the **Endowment Fund** being held and managed by the Southern Baptist Foundation, and other criteria provided below. Typically, the Southern Baptist Foundation distributes the scholarship amounts in July of each year, and in December of each year. These distribution times can be changed by officially requesting the Southern Baptist Foundation to make such changes, but such changes would impact the period of time for the earnings to be accumulated in the funds. The First Baptist Church of Barlow can award scholarships from these distributions at any time during the following 18 months. The July distribution is primarily used to award scholarships for the fall semester. The December distribution is used to primarily award scholarships for the spring semester. The scholarship award amount varies depending on:

- 1) The dollar amounts received from the Southern Baptist Foundation
- 2) How many scholarship recipients are selected

- 3) Whether the recipient is a Christian and active member of the specified Churches in Barlow, or another Church located in Ballard County
- 4) Whether the recipient is a first year student, or applying for a continuing scholarship. Note: College students applying for a scholarship for the first time must meet all criteria for first year students and continuing students. They will be considered under **Section 4.2 CONTINUATION-OF-SCHOLARSHIP SELECTION CRITERIA**
- 5) There is a maximum award amount of \$7,000 per award period for any one scholarship, i.e., fall awards or spring awards

If the student **withdraws** from classes at the university within the **tuition-refund** period, the awarded scholarship funds should be returned to the First Baptist Church of Barlow and used for other scholarship recipients.

The Scholarship Committee implements the above procedure to determine the amount of a scholarship award per the details provided in Appendix A.

6.2 SCHOLARSHIP DESIGNATIONS

The following Scholarship Programs

Eva Sanders Moore Scholarship Program
Dathel Crews Norment Scholarship Program
Darrell E. "Preacher" Moore Scholarship Program
Thomas Taylor Norment Scholarship Program

are kept separated and one scholarship awarded per program primarily in the **fall** using portions of the July distribution. These scholarships are awarded, in the order listed above, first to recipients that are active members of First Baptist Church of Barlow, and then to other recipients. If less than 4 scholarships are to be awarded, the remaining program name(s) are carried over at the top of the naming list for the next award period.

The **Jerry Don and Connie Norment Moore Scholarship Program** are kept separated and one or more scholarships awarded in the fall using portions of the July distribution, and one or more scholarships awarded in the spring using the December distribution. If less than 5 scholarships are to be awarded in the fall, and no scholarships are to be awarded in the spring, there will be no scholarships issued with this program name.

7. REQUEST TO THE SCHOLARS

The First Baptist Church of Barlow and the **Scholarship Committee** desire to embrace, nurture, and build the **Scholarship Program**. One step in this process is to demonstrate and explain the importance of scholarship programs to the church, community, county and scholarship recipients. Such efforts should improve the likelihood that other scholarship programs will be created.

Another **important** step is to suggest and encourage, but not require or demand, the scholars to make contributions during their career to an appropriate scholarship fund for the members of a church of their choice. This request should take place at the time of awarding the scholarship. An admirable goal is for the scholar to voluntarily make contributions at least equal to the amount of the scholarship grants received.

8. CONFLICT WITH GOVERNING LAWS

In the event any of the criteria contained hereunder conflict with any governmental laws and regulations, the criteria that are most restrictive and in keeping with the governmental laws and regulations and meet the intent of this document shall apply. Invalidation of any specific criteria should not cause the other criteria to be invalidated.
