We discussed the growth happening at Lake Joy Primary. All classrooms will be full next year and we have just a few slots left in our Pre-K program. Dr. Strevig explained that if students in our zone do not fill those spots, we will pull from the waiting lists at Langston Road and/or Perdue Primary.

Dr. Strevig announced that our school will have 3 rolling laptop labs next year. This will give us more technology that ever and allow teachers to bring the technology to the classroom and not just go to the computer lab. We are looking for some apps and websites to continue wot help us focus on technology skills and preparing for standardized testing on the computer.

We discussed the open house at Lake Joy Primary and the one at Lake Joy Elementary will follow on July 31st. The school calendar is on the website and we will continue with the ½ days next year at Christmas and the end of the year to help provide professional learning time for teachers.
