Preliminary Writing and End of Course Test Results

Vicki Moss, Director of Testing and Accountability, presented preliminary End of Grade Reading Scores for grades four and six. In comparing the pretest with posttest results, all grades showed an increase, while sixth grade scores dropped. She presented Reading Cohort Results for grades 3-8 showing percent proficiencies. Writing proficiency scores decreased in grades 4, 7, and 10; while reading scores increased in grades 4 and 7, but dropped slightly in grade 10. As a system, Writing scores decreased slightly. District-wide High School End-of-Course scores dropped slightly in most courses except Geometry and Algebra II. High School composite scores decreased over last year; however, scores were higher when writing was not included in the composite score.

Summer Board Retreat

Superintendent Andrews reported that the Summer Board Work Session would be held on August 22 from 8:30 a.m. until 3:00 p.m. at Pinewood Country Club.

Safe Schools Plan

Superintendent Andrews presented a draft copy of the district-wide Safe School Plan. The Plan will be completed when the system receives state appropriations and after a meeting regarding a mandatory Restraint and Seclusion Policy to be addressed at a conference on June 29.

AED Program

Athletic Director Donnie Baxter reported that a goal of the North Carolina High School Athletic Association was to place an AED (Automated External Defibrillator) unit in each high school in North Carolina. He reported that the Randolph Hospital Community Health Foundation had donated \$8,000 for a defibrillator for each high school in Randolph County next school year. Mr. Baxter reported that the goal would be to have a defibrillator for each school in the county. School personnel will be trained in the use of the AED units.

School Calendar 2006-2007

Superintendent Andrews reported that there was some concern that Memorial Day was not observed as a holiday in the school calendar on the actual date of Memorial Day. He recommended that the holiday be left in the calendar as previously approved, but that schools provide an opportunity on that day to pay respect to those who lost their lives for our country. High schools would be excluded from special observances since Memorial Day falls during the end-of-course testing. This has not been an issue until the legislature changed the calendar law with the first day of school to begin no earlier than August 25. Board members directed that the calendar be redesigned to observe Memorial Day in May on the appropriate day. A redesigned calendar will be submitted to the Board at the July meeting.

Personnel Report

P. Guthrie made a motion seconded by G. Cook that the Board approve the Personnel Report as presented. The motion carried: 7-0. The report as approved by the Board is as follows:

Resolution for Transfer of Real Property

G. Lawson made a motion seconded by B. Coltrane that the Board approve the following resolution to transfer title to the property for Providence Grove High School to the County with a lease back to the school system so that COPS financing could be pursued for the project. The motion carried: 7-0.

RESOLUTION APPROVING THE CONVEYANCE OF CERTAIN
PROPERTY TO RANDOLPH COUNTY TO FACILITATE FINANCING
THE CONSTRUCTION AND EQUIPPING OF PUBLIC SCHOOL
FACILITIES, AND APPROVING A LEASE AND AN ADMINISTRATIVE
AGREEMENT IN CONNECTION THEREWITH

BE IT RESOLVED by the Randolph County Board of Education (the "Board") as follows:

Section 1. The Board does hereby find and determine as follows:

Regular Session
June 19, 2006

(a) The Board wants Randolph County to finance certain public school facilities (the "Facilities") pursuant to an installment financing under G.S. 160A-20.

(b) In order to enable the County to enter into an installment financing agreement to finance the Facilities, it is necessary for the Board to convey to the County ownership of the sites of some or all of the Facilities (collectively, the "Site") so that the County can grant a lien on the Site to secure the County's obligations under the installment financing agreement.

(c) In order for the Facilities to be constructed and operated by the Board in the manner required by the Constitution and laws of the State of North Carolina, the Board wants to enter into an Administrative Agreement (the "Administrative Agreement") and a Lease (the "Lease"), both between the County and the Board, the forms of which have been presented at this meeting.

Section 2. The Board hereby approves the conveyance of the Site to the County and hereby requests the County to acquire the Site and to enter into an installment financing agreement to provide funds to pay the costs of constructing and equipping the Facilities. The Site will be leased back to the Board pursuant to the Lease, subject to a deed of trust securing the installment financing agreement entered into by the County.

Section 3. The Board hereby approves the forms of the Administrative Agreement and Lease presented at this meeting. The Chairman or Vice Chairman of the Board are hereby authorized to execute and deliver, on behalf of the Board, each of said documents in the forms presented at this meeting. The Secretary to the Board is hereby directed to affix the corporate seal of the Board to each of said documents and to attest the same.

Section 4. The Chairman, Vice Chairman, the Superintendent, and the Board Attorney, and any other officers, agents and employees of the Board, are hereby authorized and directed to execute and deliver such other documents, instruments, certificates, opinions and other items of evidence as shall be deemed necessary to consummate the transactions described above, including the conveyance of the Site to the County and the subsequent lease back to the Board from the County.

Section 5. This resolution shall take effect immediately upon its passage.

B. Coltrane made a motion seconded by G. Cook that the Board approve the recommendation of Superintendent Donald Andrews to appoint Aaron Woody as Principal of John Lawrence Elementary School effective July 1, 2006, on a three-year contract. The motion carried: 7-0.
