Shelly Hotzler- Activities Director

4/8/21

Parents and guardians of JCC spring athletes:

The MSHSL has updated its guidance for outdoor spring activities as of 4/7/21.

- All spectators at outdoor events must wear a face mask or coverings
- No concessions at spring school events
- All attendees at outdoors events must be registered in advance with name, email and/or phone number.

These are state mandates and failing to comply puts us at risk for potential shut down. Please do not argue with staff. If you refuse to wear a mask please stay home.

Baseball - if you plan on watching the game from the bleachers or anywhere inside the gates, you will need to comply with the above guidelines. There will be a sign-in clipboard at the gate when you arrive.

Softball- if you plan on watching from the bleachers or along the sidelines you will need to comply with the above guidelines. There will be a clipboard at the concession area to sign in.

Track- All of our varsity meets are away. Please be respectful of the host schools guidance. For middle school home dates, we will not be allowing spectators inside the gate in the competition area. You can observe from outside the fence, near the tennis courts or on the east side of the hospital on the walking track. Spectators outside the fenced area will not need to sign in.

Golf- spectators will need to be masked to attend golf meets and must remain 25 yards from participants. Sign in at the club house when you arrive.

Thanks for all you do for your kids and appreciate help with all of the above guidance.

Shelly Hotzler
Activities Director
