Mane Stream Summer Camp

Horses, fun and friendship...

...creating a lifetime of memories in just one week!

Mane Stream understands the challenge of finding appropriate recreational activities and summer day camps for children with special needs and their siblings. We have designed daily activities to meet the needs of each individual camper's age, abilities and riding skill level. No previous riding experience is necessary to attend camp. At Mane Stream, working with and riding horses helps campers find success with challenging activities in a safe, fun and rewarding atmosphere.

**Mane Stream's Summer Camp is an inclusive day camp
open to children of ALL abilities four years of age or older.**

*****PERFORMCARE APPROVED*****

Daily activities are supervised by the Camp Director and PATH Intl. Certified Riding Instructors who are CPR and First Aid Certified. Camp Counselors are on hand throughout the day and additional assistance is provided as needed by specially trained Mane Stream camp volunteers.

For more information about camp, eligibility guidelines and all the required forms to be able to attend an enjoyable week at Mane Stream's Summer Camp, please visit our website: www.manestreamnj.org
