Development-related expenses seem disproportionately high according to current fundraising standards. However, due to our unique model of offering free-tuition to all of our students, we depend almost entirely on our development efforts in order to cover operating expenses.

Our annual fundraising events bring in over \$500,000 in revenue and offer exposure for our organization to 1,000+ donors, which is critical due to our absence of a parent donor base.

The role of the development department extends far beyond fundraising. At Academy Prep, development encompasses all event-planning and management, marketing and communications as well as cultivation of major and capital gifts, which require front-end investments to achieve long-term benefits. We expect to realize these benefits in future years.

Academy Prep's graduates are its best examples of the school's success in transforming the lives of young, economically disadvantaged students. Our graduates are serving as community leaders and working hard as they strive for excellence. For example, one of our students from the Academy Prep Class of 2007 attended high school at Berkeley Preparatory School and graduated from the University of Central Florida in 2015. He went on to law school at the University of Florida Levin College of Law, and worked as a summer associate in 2017 at a major law firm in Tampa. He plans to practice international business law.

Another one of our graduates was recruited from Metropolitan Ministries, where she and her family were temporarily living. She graduated from Academy Prep in 2008, went on to Berkeley Preparatory School for high school, and graduated from Bard College in May 2016. She now works as a Regions Bank Financial Services Specialist in Orlando and credits Academy Prep for instilling in her an appreciation for education. "Academy Prep taught me how to establish myself in this world. Even by standing up and greeting guests, I learned how to make connections and network at a young age."

Form 990, Part III, Line 4a - First Accomplishment

(Continued from Part III, 4.a.) Academy Prep offers a unique combination of demanding academics and enrichment activities that offer opportunities for growth. In addition to rigorous education in English, math, history, and science, all students are required to take art, music, and physical education classes weekly as important parts of their academic schedule. Over 25 enrichment activities are offered to Academy Prep students during every afternoon as part of their school day, including golf, chess, music, choir, dance, gardening, drama, journalism, martial arts and cooking. Additionally, students spend Saturdays on field trips that include kayaking and nature exploration, visits to art, science and history museums, and community service.

Community partnerships provide positive role models in the classroom and facilitate enrichment activities that connect Academy Prep students to the

dynamic and diverse Tampa Bay community. Family involvement is also an essential component in student achievement - 40 hours of volunteer service per family is required annually.

The Academy Prep model achieves outstanding results. Academy Prep students show significant improvement in academic ability through their Academy Prep years. Most enter at or less than grade level in math and reading. By graduation, 8th graders are scoring ahead of grade level in math and reading on national assessment tests. Since 2005, nearly 80% of Academy Prep graduates have attended local private or boarding prep schools and 98% of graduates have graduated from high school on time. 77% of our graduates have gone on to post-secondary education, and 9% are serving in the armed forces.
