RCES Vision: ALL students will grow at least one level in ELA and Math.

From the Desk of Principal

Dear Students and Families:

Welcome to the 2019-2020 school year! Our commitment at Ruleville Central Elementary School is to provide a safe and positive learning environment that will empower students to become creative problem solvers, critical thinkers, proficient readers, productive citizens and lifelong learners.

As I enter my 4th year as Principal of Ruleville Central Elementary, I have set high expectations for our students in regards to academic performance within the classroom, as well as being responsible citizens at school and in the community. I am asking each student to make a commitment of having TIGER PRIDE by being active participants in their learning and acting responsibly as an individual within our learning community.

I am asking all parents and stakeholders to make a commitment to education. With all of us working together, RCES will have a successful and productive school year. Ruleville Central Elementary School will continue to work with students, parents, and the community to create a strong partnership, strong sense of school pride, mutual respect and appreciation for each other. This cooperation will ensure a successful partnership between parents, students, teachers and community members.

I am excited for the opportunity to serve another year as Principal of Ruleville Central Elementary School and I am eager to work with each of you and I am looking forward to an exciting and prosperous school year.

One Team One Dream
Latasha Carroll, Principal
Ruleville Central Elementary School

What Do Counselors Do?

- Academic Counseling
- Behavioral Counseling
- Individual Counseling
- Group Counseling
- Conflict Resolution
- Academic Intervention Planning
- Coordinating student mentors
- Classroom Guidance Lessons

Is it BULLYING?

When someone says or does something **unintentionally** hurtful and they do it once, that's **RUDE**.

When someone says or does something **intentionally** hurtful and they do it once, that's **MEAN**.

When someone says or does something **intentionally** hurtful and they **keep doing it** - even when you tell them to stop or show them that you're upset - that's **BULLYING**.

Welcome Back!!

Dr. Lutoya Earvin, RCES Counselor

I have worked at the elementary, middle, and high school levels. I have been at Ruleville Elementary School for a few years now. I assist students with all their needs. I am here to help you and your student have a wonderful and successful school experience. I help with character education, social skills, enrollment, academics, study habits, peer relations, goal setting, and career exploration. I am a product of Sunflower County Schools and am excited to be giving back to the students currently in Sunflower County.

RCES Library News!!

Welcome back to school readers! I hoped that you had an awesome summer! This month students have learned about the rules and procedures of the library and how to take care of books. Students are able to check out one book at a time. Parents, please reinforce to students the importance of being responsible and taking care of their books. Make sure that students return books on their due date. Students are asked to read 20 minutes every day because reading matters. The impact that reading has on student's lives is priceless, but we can't be successful without your help. Let's work together to help our student's be successful!

Ms. Roby
Librarian
