

# Mrs. Boswell's Science & Social Studies Policies and Procedures

## Grades

- Major: 50% (tests & projects)
- Minor: 50% (quizzes & in-class assignments)

Join my class on Quizlet!  
You may need to create an account!

## Science

Students will learn about Earth's Processes and Systems. This includes rocks, weather, space/astronomy, oceans, tectonic plates, earthquakes, and volcanoes. Students will take notes in class, complete Doodle Notes, Research, Webquests, Projects, and STEM Days. Any power points used in class will be posted on my website and all study guides will be posted on my website as well.

## Social Studies

\_\_\_\_\_ In Social Studies students will learn about the 2nd Industrial Revolution to the present day. Students will take notes, in class, complete Escapes, Vocabulary, Graphic Organizers, Projects, and Dress up days. Any power points used in class will be posted on my website and all study guides will be posted on my website as well.

## Homework

\_\_\_\_\_ Students will have homework in Science and Social Studies only if they do not complete the in class assignments for that day. They will be expected to have it completed by the following day.

## Attendance/ Make-Up Work

It is very important that your child be present at school every day that it is possible. Please see the Code of Conduct regarding reasons to keep a child home and the attendance policy for this year. Upon return, students may get all work they missed from the makeup work folder in my room. I will place anything they need to complete in this file. Any tests missed will be rescheduled for makeup through me. Students will need to get any make up work completed in a timely manner.
