

NEWS FROM
**Assistant
Principal
Henderson**

Hello and welcome to October! There are a great many exciting things going on this month, and I would like to take a moment to provide a brief overview of them. If you have any questions about any of these events, or would like more details, feel free to call, email, or stop by the office.

The first thing you need to be aware of are Parent/Teacher Conferences. We have two options for you to come meet with your student's teachers. The first is on Monday, October 7th from 6:00 to 8:00 and the other is on Thursday the 10th from 1:00 to 4:00. This is a half day for school.

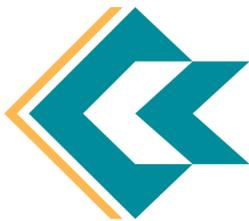

The week after that is Homecoming Week! On Tuesday, all students who have earned all C's or better in every class, and have not received any major discipline referrals will be invited to watch a movie with their peers. The possible movies include Mean Girls, Hercules, Scooby Doo, Toy Story or Bedtime Stories. Popcorn and pickles will be given out as snacks. (If there are any of these

movies you don't want your student to view, an opt out form will be sent prior to the showing) Homecoming week ends with the parade, football game and dance. Please remind your students they must have a current Student ID to enter the dance.

Then, there's more! In the last two weeks of October we have a Unity Pageant on the 23rd, a Choir Concert on the 24th, a Band Concert on the 29th and finally an Orchestra Concert on the 30th.

I hope to see you all there, for at least two of these events!

Coconino Community College

Parent Night
DUAL ENROLLMENT

Coconino Community College
Page Campus
November 20, 2019
5:30pm—6:45pm

Jump-starting college can save you time and money, help you become familiar with college-level work, and give you a chance to explore career interests. CCC offers three options for high school students to earn college credit: Concurrent Enrollment, Dual Enrollment or CAVIAT programs.

Coconino Community College (CCC), serving Coconino County in Northern Arizona, offers high school students an opportunity to earn early college credit through CCC's High School to CCC (HS2CCC) program. Dual Enrollment (DE) is a state-approved program that allows high school students to earn college credit, giving students a seamless transition to college and preventing the duplication of coursework. Students can save money on tuition, complete a CCC degree or certificate at an accelerated pace and most credits are transferable to Arizona universities.

Important Dates in the Career Center

October 4th - 11:37 am - 12:30 pm - Seniors are invited to the Grand Canyon University Application Workshop with Pizza Lunch

October 4th - ACT Late Registration Deadline

Fun College Facts:

- *Fort Lewis offers free tuition for Native American students
- *U of A offers a grant to all students who meet the admission requirements, has a 2.75 GPA and is Pell eligible this will pay for tuition for 4 years
- *NAU has a great scholarship. The Lumberjack offers free tuition for 4 years if you take the 16 core classes receive a B or higher in those courses and have above a 3.0.

Connecting with your child

What a wonderful opportunity and challenge it is to have children. As parents, we have just a short time to spend with them before they themselves pass on to adulthood. Occasionally, we need to stop and ask ourselves; are we making the best of that time? Are we as parents leading by example? Are we getting involved in our child's life? Are we taking time each day to ask our kids about their day at school?

As children become adolescents, we parents begin to realize that we don't control our children, but we do influence them. However, our influence is only as strong as the relationship we have developed with our children. Developing a relationship takes time. So stop and take some time today with your child, get involved because before you realize it, time will have slipped away.

Ready to improve your score?

ACT FOR DEVILS

SESSION 1:
September 17- October 24th!

- ★ Tuesday- Thursday
- ★ 3:05-4:30 pm
- ★ Ms. Moore's Classroom (A216)
- ★ 1 v. 1 tutoring

**Ms. Moore &
Mrs. Johnson**

Learn specific strategies just for YOU!

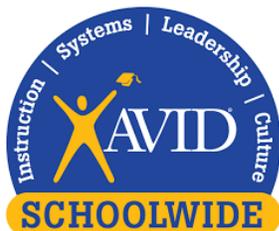

COLOR GUARD

Arabell Grimshaw and Braxton Harris started the season on a strong note. They took first place in their first outdoor competition!

Our nation's schools are full of students who possess a desire to go to college and the willingness to work hard, but many of them do not truly have the opportunity to be college-ready. These are often the students who will be the first in their families to attend college and are from groups traditionally underrepresented in higher education. AVID equips schools with what they need to help these students succeed on a path to college and career success.

PAGE UNIFIED SCHOOL DISTRICT IMPLEMENTS THE FOLLOWING HEALTH GUIDELINES

1. A student should be feeling well and be “fever free” without fever reducing medication for at least 24 hours before returning to school
2. A student with strep throat must be on an antibiotic for at least 24 hours and feeling well before returning to school
3. A student with possible conjunctivitis (pinkeye) must be seen by a doctor and may only return to school with a doctor’s note
4. A student with chicken pox may only return to school when all lesions have crusted over and there is no drainage from the lesions
5. Keep your student home or you student will be sent home if he/she:
 - Has had a fever* in the past 24 hours
 - Has a fever* of 100 degrees or higher
 - Is nauseous and/or vomiting and/or has diarrhea
 - Has vomited during the night
 - Has been exposed to a contagious disease and is exhibiting signs/symptoms of the disease
6. Students who have been at home because of illness, should not be brought to school for parties and/or special events.

*A fever refers to a temperature of 100 degrees or higher without the use of Tylenol, Advil or other fever reducing medications.

Also, please remember to notify your student’s school if he/she is to be absent.

**The information provided is not intended to replace physician advice.
If your student is ill, please contact your health care provider.**
