

Parent Responsibilities

Cooperate and Support

Cooperate and support school and school district during this unforeseen time.

Communicate

Communicate with teachers regularly and as needed.

Comply

Comply with all district requests regarding instruction.

Utilize

Utilize district established hotlines as needed.

Understand

Understand that this is a very crucial time in your child's educational journey; PLEASE take these various educational processes serious.

Be Patient

Understand that we are better and stronger TOGETHER and that our students deserve all of us working together during this time because their education depends on it.
