

Google Classroom

Parent Connection

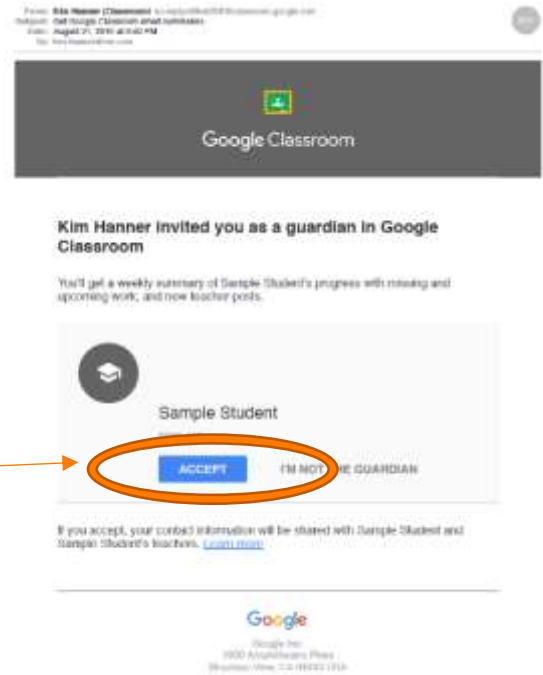

Receive email summaries —daily or weekly— to keep track of your student’s Google Classroom homework, class announcements, and/or classroom assignments, making it easier to stay up-to-date on what’s happening in the classroom.

As a parent, before you can receive these email notifications, the students must login to their account and accept the teacher’s join class invitation. Then the program allows the teacher the ability to email you an invite to accept email summaries. (Invitations will be arriving in your inbox after back to school night)

You have up to **7 days** to accept an invitation before it expires.

1. Open your email invitation.
2. Click **Accept Invitation**.
3. Sign in with your Google Account.

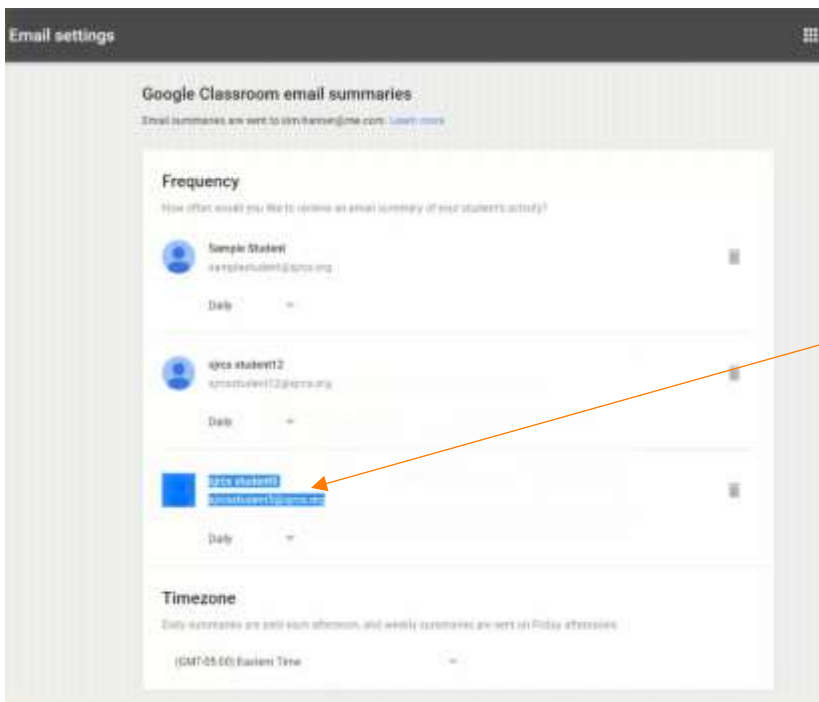

Note: For security reasons, you will need a Google Account to receive these summaries from Classroom.

You don't need a Gmail address—you can create a Google Account using your current email address.
